PRESIDENT'S MESSAGE

Hi Fellow Dancers,

We are now well into a fun filled year with some significant birthday's. The first was Wild Frontier's 45th Birthday. Congratulations to Jeff and the your dancers on this significant milestone. Coming up this month is Allabout Squares's (Mt Gambier) 10th Birthday yet another wonderful milestone event. I hope to see you there.

We have recently appointed Karen & Murray Dempsey as State Convention Conveners. Plans are now progressing very quickly and information is being circulated to clubs. Guest Caller is Mel Wilkinson originally from Canada now living in Tumut NSW. Mel has over 30 years experience calling so should provide an entertaining weekend. The venue is the Hewett Community Centre just out from Gawler and is a brand new facility which will cater for our needs well. The theme is Country to the City so stay tuned for more updates.

Some exciting news is that we have a new club which started recently in Whyalla. The caller is Shirley Gabb who some will know from when she called several years ago. We wish them every success. This means we now have 12 clubs in South Australia, 7 of which are in the country, what an interesting statistic.

In March I will be travelling to Horsham to attend the 49th Victorian State Convention. Hope you all have a happy Easter and to all South Australians please keep safe on the roads.

Yours in Dancing

Anne Tulloch, President

SASDS COMMITTEE NEWS

We certainly have some good news this month!

The planning for the State Convention is going ahead in leaps and bounds since Karen and Murray Dempsey were appointed as Conveners at our January meeting.. Adding to the theme of 'Country in the City', the Gawler Show' which is advertised as SA's largest country show will be happening on that weekend.

The Society has warmly welcomed Shirley and David Gabb into the SA Square Dance community. Please take the opportunity to visit their new club 'Whyalla Twirlers' if you are travelling that way. More details from them are in this edition.

The Executive continue to work on updating various aspects of the Society.

- By now the updated Guidelines are on the website for you to read. You can also obtain a printed copy from your Club Representative.
- An audit has been carried out in the storage unit and it is planned to dispose of unnecessary items.
- Planning is continuing for delivery of the Round Up electronically to those members who prefer that. Of course, a printed version will still be available.
- There is a lot of discussion around membership structure and encouraging all dancers to be a part of this very active Society.
- The Society had Wild Frontier's Birthday Shield rejuvenated and a 45th year bar added to celebrate their Sapphire Anniversary – Congratulations.

In SA we are very fortunate to have high calibre callers. Their Callers Association is organising a series of workshops throughout the year for both experienced and novice callers. Anyone keen to give calling a go just get in touch with Les Tulloch on 0484 233 826 .

A lot is happening! Until next month,

Cheers, Pauline

FROM THE EDITOR'S DESK

St Patricks Day features in many of our clubs dances in March, so why is it that we enjoy a feast of potatoes and wear green? To help answer these questions I've included snippets here and there about the man and his link to Ireland,

The organising of the State Convention is proceeding rapidly, this Round Up includes background on our guest caller and some regional tours that may interest you. Cheers Stephen

ADELAIDE OUTLAWS

Hi everyone. Already the year is rolling along and we had fun celebrating our annual St Valentine's Charity Dance.

The preloved clothing sale was of great interest, particularly to our learners and thanks to Sheila and others who helped look after the "shop". We danced to requests and there were so many! Great fun though. All proceeds from the night now go to a charity.

Not long after that we had a club outing with a tour of "Artlab", the group that do restoration of artworks for the Art Gallery. A sizeable group were enthralled by the processes and it was a

great day out!

Coming up next will be our Spud Night celebrating St Patrick's on Mon 12th March. Be sure (to be sure) to book for your spuds. Always a popular night. Green is the theme and all dance times are as normal.

In April we will again hold our Easter dance, see the advert. Dress colourfully for this and enjoy Hot Cross Buns in a brightly decorated hall.

Near the end of April we will be closed for one week as some of us attend the National Convention in Perth. Check the adverts for dates.

ALLABOUT SQUARES CLUB HISTORY – CALLER ANDREA BRAUN

I grew up in Geelong with a love of sport and played competitive Tennis. Through other players at our local club I was introduced to Square Dancing and soon became a regular club member. When they held an amateur callers night I keenly participated and discovered a new direction within the activity. I was encouraged by other callers who would kindly allow me a call when visiting their clubs.

In 1998 I travelled to the UK and attended the National Convention in Birmingham and had my first opportunity of calling in front of a large group of dancers. An opportunity arose to work in England and I became a trainee caller with Jim Rowland calling regularly at both Sheffield Swingers and Phoenix Squares in Sheffield. On return to Australia I began "Allabout Squares" in Geelong Victoria which ran from 2000 until 2005 until I relocated to South Australia.

In February 2008 "Allabout Squares" was reinvented and runs every week during school terms in Mount Gambier and celebrates its 10th birthday this March. Whilst living in Mount Gambier I have also taught Square Dancing at my son's local primary school with a fantastic response from the teachers and students. Square Dancing has afforded me many opportunities to combine dancing with travel and I have been privileged to attend and call at numerous conventions and clubs in England, USA, Sweden and Hawaii and New Zealand. In July 2016 I was fortunate to re-visit England and call both in York and at my old club in Sheffield. I also attended my first Callerlab Convention in San Antonio in Texas in 2003.

I have also recorded for several companies including Blue Star, Crown Records and became a resident caller for Shindig Productions.

I currently live on my beautiful 5 acre property just outside Mt Gambier with my amazing son James, two sheep, six chooks and my cat Ash.

St Patrick Fact 1

Patrick was a 5th-century Romano-British Christian missionary and bishop in Ireland. Much of what is known about Saint Patrick comes from the Declaration, which was allegedly written by Patrick himself.

It is believed that he was born in Roman Britain in the fourth century, into a wealthy Romano-British family. His father was a deacon and his grandfather was a priest in the Christian church.

According to the Declaration, at the age of sixteen, he was kidnapped by Irish raiders and taken as a slave to Gaelic Ireland. It says that he spent six years there working as a shepherd and that during this time he "found God". The Declaration says that God told Patrick to flee to the coast, where a ship would be waiting to take him home. After making his way home, Patrick went on to become a priest.

Off to a slow start this year with the heat being a deterrent for us. We did manage one Friday night in January. Thankyou to Ken and Hazel for joining us on our first night. Always nice to welcome visiting dancers.

Happy 45th Birthday to Wild Frontier. Such a huge achievement and total dedication to sustain an event for that length of time.

They say mad March, I can assure you that February has been just as busy with not a free weekend. Is this the way that 2018 is going to be ?

Safe travels to anyone travelling to Horsham for the Vic State Convention. It will be a first for us. Might see you there.

Happy 10th Birthday to All About Squares, all the best to Andrea and club members.

Congratulations to Stuart and Bernadette on their wedding day. Best wishes for a long and healthy future together.

Happy dancing, see you on the dance floor somewhere.

We had a great time dressing up in blue to celebrate Wild Frontier's 45th Birthday. That is quite an achievement for the club.

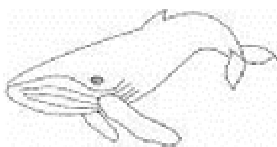

The next big event is our joint Weekend Away in Berri which is always relaxing and fun.

The A's, C's & even the Plus group which I belong to, are certainly being kept on our toes by Jeff. Still we can have a laugh about our mistakes!

See you on the floor,

Alistair

JVC Square Dance Happy New Year to all Square Dancers. JVC Square Dancing had great start to 2018. We were able to start on time at 1330 on the 6 th February with 4 couples. While we were dancing two more couples arrived – making it a good start for the year.

A big thank you to Judy and Brian from Sunset Twirlers who came to make sure we had a good start for the year. We even had an Oblong Dance - 4 head couples and two side couples. The dancers must have remembered a lot from last year as everyone – including beginners - ended with their original partners. Happy Dancing Everyone Jacqueline and John.

As I write this article we are going through yet another period of ridiculously hot weather – just as well we have both air-conditioning and ceiling fans. Some people have asked if we have a hot weather policy – as we have air-conditioning we do not cancel dancing due to heat; however, we are happy for you to dress comfortably but no thongs of any kind please!

Welcome to Gay & Graham who have moved to Adelaide from Mt. Gambier, it is great to see you continuing to dance regularly.

At time of writing we have not yet celebrated our Birthday so I will report on that next time.

Important note: due to a rise in hall costs, dance admission will be \$8 per person from the first dance in March.

Our Learners are continuing to progress and as I have said before we appreciate those of you that can come a bit earlier, between 7 – 8pm, to help them.

Our weekend away to Berri in March with Kannella Squares will soon be upon us and we hope you will be joining us for another great weekend – see advert for details. If you're looking for something to do over Easter, why not hop along to our Easter Saturday dance; everyone welcome.

Two notes for your diaries: Jeff is not attending the National in Perth this year and so Wild Frontier will be open on Friday 20th April (convention weekend) AND don't forget to keep Saturday 9th June free for a great night of dancing with Bronc Wise. Happy dancing,

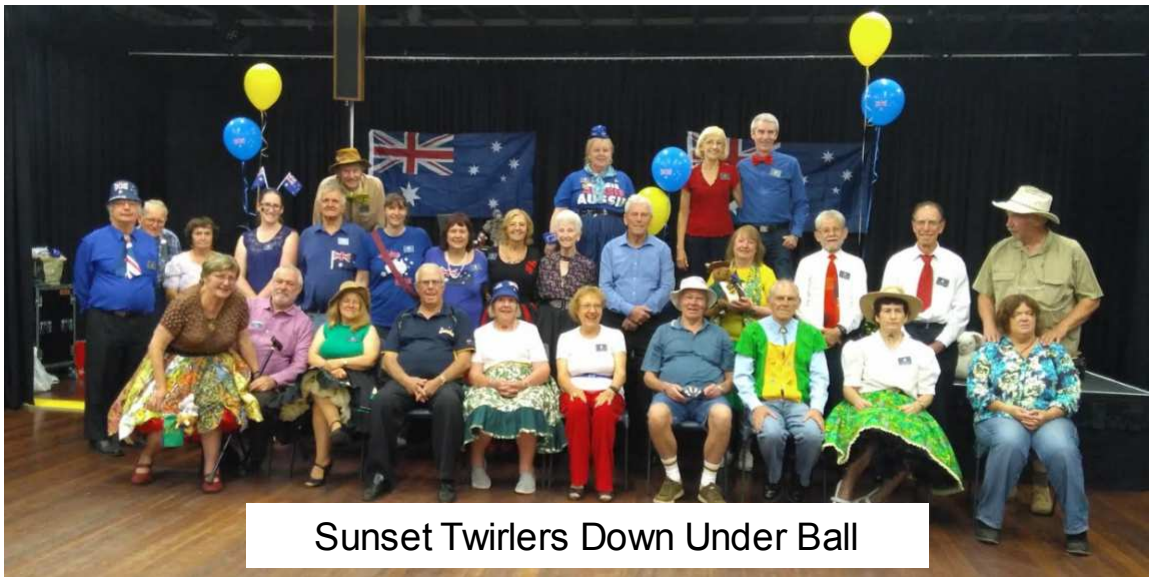

Jenny.

SUNSET TWIRLERS

Hi everybody and welcome to the club news. We are into March and we have already had two special nights for the year. This year we have planned a special night for every month so hopefully you will find a night to your liking. To help everybody keep up with what is going on we have produced fridge magnets with the Mainstream special nights and the Plus dates. Thank you to Diana for producing those, we hope you find them useful. Also please see our advertisement with our remaining calendar dates for 2018.

Our special night for January was a Down Under Ball. All Australian singing calls and mini pie floaters for supper were absolutely delicious, that probably accounts why everybody was lining up again for seconds. Thanks to Eddie & Rosalie for organising the supper. Milton did a bracket playing the guitar.

We decided to combine our Valentines night with Shrove Tuesday, dancing to love songs (and there are no shortage of those in Square Dancing funny about that) as well as enjoying lots of delicious pancakes. Thank you once again to Eddie & Rosalie for organising the supper.

Some of us are travelling to the Victorian State Convention in Horsham and the National Convention in Perth So we wish and hope all have a safe trip.

Our 23rd Birthday is just around the corner. Theme is flexible dress as little or as wacky as you want. We are also planning a dinner again, so please see our advertisement for more details **Happy dancing from Anne & Les**

CHRISTMAS BREAKUP

CLUB CLOSURE FOR NATIONAL CONVENTION: 17th & 24th April

Scootbacks has been back dancing for a few weeks but with the ongoing hot weather we have been unable to dance a few of those weeks. Just a reminder that our hot weather policy is 36 degrees and over predicted on the Thursday night for Friday we won't be dancing.

We have a few specials nights coming up on the 16th March we will be celebrating st Patrick's day with agree theme. Also with Easter coming up we will be having hot cross buns on the 23rd March.

Hope everyone had a good break and back to the dancing for 2018. Keep cool and have fun,

De square Lady

Well at last we are back dancing again. The really hot days have fallen on our dance times, even with Air Conditioning 42 degrees is a bit much, we are, of course all getting older [Well I know I am]. Sunday we started with revision of the most popular dances with a few new ones to come. To those who are used to Round Dance, you would know we had so many different Boxes, in so many different

Rhythms, I thought they had run out of Boxes, but now we have Interrupted, Drifting. Left Turning Interrupted Boxes, which keeps us on our toes to get the right one when we are dancing. The same goes for our Friday Advanced night, revision to start the year off.

Once again I am programming the Rounds at this years Convention and I would dearly love to see some new dancers on the floor, so if you are interested in learning to be able to do some at the Convention, come along on Sundays just before 12-00 noon. or ring me me on 82618128. We dance at Druids Hall Cassie St Collinswood. You would start with Rumba and Waltz.

So until next time Regards Thelma

The club is back dancing now on a regular basis. Hoorah! Basic dancing on Friday nights and mainstream on Mondays.

It is good to have some beginners wishing to learn square dancing. Time will tell as to whether they stay the course.

Some members of our club showed a demonstration of square dancing to a gathering at Saint Mary's Aged Care Facility here in Mount Gambier on the 9th of February. It was well received and I think there was an invitation to repeat the performance at a later date.

Our AGM is to be held on March the 2nd at 7,30 pm in the church hall. This will be followed by an " Old Time " square dance using 78 records with the dancers

WHYALLA TWIRLERS

With just three classes into the year, we are pleased to announce that we are working three squares.

As from the 12th February, 2018, we will be permanently based at the Lutheran Hall in Lewthwaite Street, Whyalla Norrie. Classes will start at 7pm and finish at 10pm. Tea/Coffee will be supplied.

All dancers keen to advance their fitness and socialising, are wished ...'Happy Dancing'

Shirley & David

Shirley and David Gabb—A Square Dance Bio

In August 1991 David Gabb was asked by Olive Hosking (Cowell) to help her out with learning a couple of moves! That did it! From there we found a Club in Whyalla where our two daughters were welcomed to learn Square Dancing.

We started dancing in 1991 with John Rix and Jo Sarinopoulos in a wonderful group called The Double 'J's'. John and his wife Marjorie worked with us twice a week to get us to a level where we could attend the Perth National Convention in 1993. From here, we never looked back. We danced at the Whyalla Square Dance Club with Caller Chris Browning, and down at the Cowell Twirlers once a month, and many of our group travelled to help this Club out. Four of their dancers came to Whyalla to dance with us each Sunday night and after 4 years, Olive started the Cowell Twirlers.

In 1995, John Rix asked Shirley to learn to call for the Club, so we could have variety. Up to this stage, we danced to records and tapes. Over a couple of years and many trips to Adelaide, we finally had a Caller for our Double 'J's! Generally we danced to more than two squares and were a tightly knit group. Each year we demonstrated at the Hospital Fete and the Whyalla Show. The highlight of each year was taking two sets down to the State Convention.

During all of these years, Jeff Seidel was the steadying influence with such patience and support, it was unbelievable. Thank you Jeff, and thank you too for the continued friendship over this time.

David started to learn to Call but his work commitments with 12 hour shifts made it very difficult. In 2003, Shirley gained full time employment with The Salvation Army in Whyalla and shortly after, we had to close the Club because of time restrictions. Shirley retired from full-time work in 2014.

It is a pleasure to once again be dancing and we're so pleased that many of our 'friends' have found time to join with us and be our dancing 'angels' as we strive to teach the many new people who have found a new love in this wonderful dance of fitness!

We had a fairly quiet month just gone by. Rogers grandchildren, Kieko and Darcy, have returned to Darwin. Meryl is out of the wheelchair and getting around with a moon boot and walking frame. Graham is officially retired and during

the Christmas break he and Bev shot over to Sydney and picked themselves up a motor home. They are planning to do quite a bit of travelling in the future and will be headed west for the National Convention.

It was great to have Peter Stavast and Dianne join us on the 9th January. Peter's twin sister, Tricia, dances with us and it was their birthday the following day, so it was great that they were able to celebrate their special day together after so many years apart.

We celebrated Australia Day and had a fun night. It wasn't a planned event, but for off the cuff it turned out pretty well.

Looks like we have got a convenor for the State Convention this year. Thanks to Karen & Murray for stepping up to the plate. Looks like it will once again be a great time.

'Till next time, happy Dancing.

St Patrick Fact 2

According to tradition, Patrick returned to Ireland to convert the pagan Irish to Christianity. The Declaration says that he spent many years evangelising in the northern half of Ireland and converted "thousands". Patrick's efforts against the druids were eventually turned into an allegory in which he drove "snakes" out of Ireland (Ireland never had any snakes).

Tradition holds that he died on 17 March and was buried at Downpatrick. Over the following centuries, many legends grew up around Patrick and he became Ireland's foremost saint.

Why Green?

On St Patrick's Day, it is customary to wear shamrocks, green clothing or green accessories (the "wearing of the green"), the colour associated with Catholics in Ireland (orange is the colour associated with Protestant Christians). St Patrick is said to have used the shamrock, a three-leaved plant, to explain the Holy Trinity to the pagan Irish.

The colour green has been associated with Ireland since at least the 1640s, when the green harp flag was used by the Irish Catholic Confederation. Green ribbons and shamrocks have been worn on St Patrick's Day since at least the 1680s
