PRESIDENT'S MESSAGE

Very shortly folk will be heading off to Perth for the 2018 National Convention. For all those driving over, take care and have a safe journey over and back. I feel confident that you will all enjoy yourselves and have a fun time. For those that are not headed for Perth and would like to continue dancing Wild Frontier will still be open for dancing.

Last month saw Allabout Squares, down in Mt Gambier, celebrate their 10th birthday. It was a fantastic weekend featuring Mike Davey as their caller, with many other local and interstate callers joining the celebrations. What a wonderful achievement for a country club. Thanks to Andrea for persevering and calling to keep the club active for this length of time.....looking forward to the 20th

Well, we have some good news from your Society. We have reviewed the subscription fees and are in the process of bringing the Society into the digital age. Starting in July, Round Up will be available digitally via email. For those members that would still like to receive a printed copy of the Round Up this will be available at a little more cost dependent upon your delivery requirement. On the subject of cost we are happy to announce, that on average, the cost of SASDS membership for the 2018/19 year has been reduced, and with an increase in membership benefits. Please refer to Page 5 for details.

On closing, I would like to let you know that things are progressing nicely with the 2018 State Convention "Country in the City" to be held in Hewett. Hewett is nestled in the suburb of Gawler right on the edge of the Barossa Valley, one of South Australia's premier wine growing and tourist destinations. We have Mel Wilkerson coming in from Tumut, New South Wales, as our feature caller, plus our own local and interstate callers.

Once again we are using the Trybooking website to register ticket and tour bookings. We will have Convention Committee members visiting all the clubs to help you with booking tickets should you be unsure of how to make your reservations. The 2018 SASDS State Convention registration site is now open and can be accessed at this link <https://www.trybooking.com/book/event?eid=355431>

Many thanks

Murray Dempsey

SASDS COMMITTEE NEWS

It has been another busy month for all Committee members!

It is with regret that the Committee has accepted the resignations of Anne & Les Tulloch. They have made a very significant contribution to South Australian Square Dancing over many years and we thank them for their time, effort and dedication.

The new Membership Fees have been set for 2018/2019 with substantial benefits to members when attending Society events and new members are able to take advantage of the generous discounts to the State Convention. Personally, I cannot wait to receive my Round Up in full colour. Thanks to Stephen the Committee have already seen a preview and you can too, it looks fantastic.

Registration forms are available at Clubs and on our website.

The sorting out of unwanted items has started in the storage unit and hopefully new homes will be found for items of value & historical significance.

By the time you read this, Murray and Karen Dempsey will have visited the Whyalla Twirlers to introduce themselves and welcome the dancers to Square Dancing.

Of course, the State Convention Convenors are keeping the Committee updated with the arrangements for the big event in August. I have heard that at least one Victorian Club is closing that weekend to give their caller and dancers the opportunity to travel to Hewett to join us.

Until next month, *Cheers, Pauline*

FROM THE EDITOR'S DESK

Things quieten off in April as most of us head off west for the National Convention, However if you are still around on the 14th do check out JVC Squares birthday, details in this issue. Also Wild Frontier are holding their normal Friday dance during the Convention weekend.

Maryka and I had a wonderful time at the Victorian State Convention, congratulations to the organising committee and the VSDA on another well run event, even the Monday morning dance was very well attended, We were joined by around twenty other South Australians with Les Tulloch and Ian Rutter being well received by the Convention dancers. Ian was requested to call 'All That Jazz' and did with great gusto which was appreciated by the dancers. Have you worked out who the medieval executor on the front cover is? More photos (clues) in this issue.

In this issue we welcome Gail the new article writer for Paddle Steamer Squares, thanks to Zaree for all her past contributions.

Stephen

2018/19 SASDS Membership Subscription Fees

The Society has reviewed both its membership fees and benefits as, just like other volunteer organisations, SASDS needs to operate within its income stream while offering value to our members

As part of this process SASDS have decided to offer an emailed version of Round Up as a membership option, we stress only as an option. We also revised the membership benefits to entice more members to attend Society dances and our own celebration of Square Dancing, the SA State Convention.

While in some instances our traditional membership rates have increased nominally, the 'email' membership represents significant value when the improved membership benefits are considered, an additional benefit is that the emailed magazine will be in colour.

The emailed Round Up will be a 'pdf' file averaging 1.5mb. If you would like to 'test run' the emailed Round Up before deciding which membership option to take please email our editor Stephen Janes at sasds.roundup@gmail.com who will gladly send you the April Round Up file .

The following rates applying for membership year 2018/19.

ADELAIDE OUTLAWS

Hi everyone. Just to recap on our Valentine's Charity Night, the proceeds were donated to the Royal Flying Doctor Service and a nice cheque has been sent their way. Thanks to all who made that possible.

In mid March we marked the occasion of St Patrick's Day with our annual spud feast. Everyone enjoyed the spud dinners cooked on location in the spud van and the place looked - well - green! Many dressed in green colours and the hall decorations added to the atmosphere.

In the next couple of months we expect to make the transition of our learners and intermediates to their next timeslots as we prepare to take in new learners. Progress has been good in both groups and it's clear they are enjoying their new found activity. Coming up shortly will be our Easter Dance. Looking forward to a great selection of hot cross buns and chocolates - all good fuel for dancing! Dress as colourfully as you can and let's use any excuse to celebrate!!

NOTE: We will be closed for one week at the end of March - see the advert for details. This is due to Dawn & Graham attending the National Convention in Perth

Great to have some new dancers coming along, they are having fun and doing extremely well.

Glad to hear Hazel is recovering after her recent fall and good to see her back on the dance floor.

Valentines Day was celebrated with a special dance and of course a chocolate heart for everyone who attended.

We recently had a farewell BBQ dinner and dance for Dan who has headed off on an amazing adventure with his mate Lachie. He will be sadly missed whilst away but looking forward to catching up real soon and hearing about all their travels.

If you're travelling through to the National in Perth please drop by, we would love to welcome you.

The Two Amigos

How did you spend your Adelaide Cup weekend this year ?

A few of our dancers attended the Victorian State Convention in Horsham. WOW, what a wonderful weekend. Great dancing, catching up with friends that we haven't seen for a while, making new friends, meeting others that we can now put a face to a name. To sit back and relax was terrific. Horsham has a lot to

offer. The RSL were inundated with visitors all weekend and were thankful for Monday when the pace had quietened just a little.

Happy birthday to Allabout Squares and congratulations to Stuart and Bernadette on their wedding.

Safe travels to those heading west. See you on the road somewhere, if not catch you on the dance floor.

Acey Squares.

WHYALLA TWIRLERS

The last two sessions has seen us settle into two definite groups. One and a half squares each class.

Saturday group is getting to know each other and learning at a medium pace while the dancers in Monday's class have known each other for a while. There are still more people coming in to see what is happening.

We are looking forward to meeting up with Karen and Murray Dempsey while they are here in Whyalla. Seeing as there is no class on the Saturday of a long weekend, we have come to the conclusion that long weekends are bad for our health! So sorry for the people who have to attend their work.

Square Dance clothing for ladies is available at classes, but only up to size 16.

There are still plenty of soft petticoats and skirts for sale - \$20 each. Contact Shirley on 0423516716.

JVC Square Dance

We had a wonderful month of dancing in February, with four new dancers joining us who are all enjoying our favourite pas-time.

All the members of our group have welcomed the new dancers and are happy to dance with them. Yes we do spend a little time on some very basic movements, but we also include one or two more harder movements and work with these new dancers to ensure that they enjoy dancing. New dancers do not know what a Callerlab teaching list is, so the more advanced members are still going through the list to enjoy the inclusion of all the basic and mainstream list over a period of time. Let us hope that we can continually welcome more dancers into our activity, all inclusive.

Happy Dancing Everyone Jacqueline and John.

THE PADDLE STEAMER SQUARES DANCE CLUB INC

On 16 th February our theme night was 'Love Is In The Air'. Unfortunately there were no proposals forthcoming but there was a red glow that filled the hall from all the amazing outfits. Extra dancers from Sunset Twirlers & Adelaide Outlaws allowed us to create extra sets and benefit from their expertise.

'St Patrick's Day' is the next theme night on 16 th March. I'm sure that there will be some dazzling & imaginative ideas not only with outfits but also with Anne's supply of decorations. She is bound to have a leprechaun or two arrive on the night!!

We wish Mark a speedy recovery from recent surgery & hope that he is soon dancing away just like before.

It was extremely pleasing to have Karen & Murray Dempsey attend our last Graduation Night on Dec 8th, 2017, along with Anne & Les Tulloch. To have such representation from SASDS was certainly appreciated by the Paddle Steamer members & the graduates, Jo & Gail.

At present we have two learners, Lyn & Maureen, who are very keen & have good rhythm & understanding. Our plus sessions are so entertaining. Ros has her 'work cut out' teaching a group at varying levels but everyone assists each other & that works fine.

We may be a small group but there is plenty of behind the scenes work being done for our 10 th Birthday in Oct. We always have volunteers to take on special jobs on behalf of the committee. Penny has a list a mile long but it's getting shorter!!!!

We are certainly appreciative of our brilliant callers namely Les, Milton & Chris with brackets taken by John & an amazing Ros who is learning this skilled craft. Don is always updating our Facebook page with photographs. You never know if he'll catch you in action so check the Paddlesteamer Square Dance Club posts.

We thank Zaree for her tireless effort in reporting for the Round Up with news, information & anecdotes. Her 'passing of the baton' has been duly deserved.

Our AGM will be on 23 rd March when I'm sure we'll continue to have a proactive & dedicated committee.

Gail

Scootbacks Squares wishes everyone a happy Easter and travel safe if travelling over the Easter holidays.

Firstly, a BIG thank you to everyone who came along to help us celebrate our 45th Birthday and there were lots of you, including

several dancers from the country clubs - excellent. Once again, the committee did a great job putting the evening together and the blue decorations along with most people wearing something

blue added to the atmosphere.

It was great to be able to dance to our local callers during the evening; thanks to Graham, Les, Scotty, Ian, John and of course Jeff too. We also had a surprise visit from Victorian caller Ralph Weise & his wife Lyn; thanks to all the callers for keeping us entertained.

Heather did a good job with the cake again and SASDS President Anne presented Jeff with our updated shield.

As I write, our weekend away to Berri is on the horizon and hopefully everyone had a great time – I'll report on that next issue, along with our Easter Saturday dance. Don't forget we are open during the National Convention as Jeff is not attending this year but we wish those of you who are travelling to the convention a safe journey and a terrific time. We have a couple of events coming up in May – our Mother's Day dance and our dinner with Kannella Squares and anyone else who would like to join us; please see adverts for details.

Happy dancing,

SUNSET TWIRLERS

It is good to see all our members who travelled to Horsham for the Victorian State Convention all arrived back safely. The theme was medieval including the 'Executioner' who was that hooded man? Penalties were tough for dancing mistakes.

Our plus class is continuing along at a great pace we now only have a few figures to go. There have been a lot of questions about what happens after we complete all the figures. It is intended of course that plus will be a permanent level on Thursdays. So there is still lots to do and plenty more to learn. Les & Anne continue to support Paddlesteamer Squares with regular visits. The last was their St Patricks Dance (see picture below).

Plans are now complete for our 23rd birthday in may (see advertisement for details). The theme dress as little or a lot wacky is flexible so you can do what you want. We are also sticking the dance, meal, dance format which has proven popular in recent times. Hope to see you there for another great night.

We also had a visit from Sheila from the UK, great to see her again.

Happy dancing from Anne & Les

Now the really hot weather has left us, we can get down to some comfortable dancing. I have come to realise, that by the time this issue is delivered, Easter will have probably come and gone, so I hope everyone will have had a great four days holiday. Last month I spoke of a lot of different Boxes, well guess what! I found yet another one from which had been put in the background but has now been resurrected [The Rotary Box] as in 'Dream On Texas Lady' As I

won't be going to the National in Perth [much to my regret] we will be dancing over that time. Shirley, Anne and Les will be going and Shirley will Cue and Les and Anne will be dancing our Showcase and experimental.

On **Friday Night** we are working on a very nice Bolero called 'Feel My Love' A lovely dance with lovely music. Another nice one is 'My Tango Baby'

Sunday 12-00 I have a new lady who is picking it up very quickly. It was nice to see Anna and Norm back on the dance floor again after having such a long time off due to illness. Their new dances have been 'Tango Lola' and 'Un Tango Del Curore' and 'Movin Quickstep' _

Sunday 2-30 their last dances have been 'Sexy Eyes Cha' by Anne and Les, 'Bolero Unusual' by Max Bassett and 'Waltz To Sorrento Waltz' by Tom and myself among others. So once again if you would like to learn please give me a ring. Until next time

Regards Thelma

Our AGM was held on the 2nd of March and most committee members were re-elected with the exceptions of Coral Lynch to Vice President, Linley Bowyer as Assistant Treasurer, Heather Telford to Assistant Secretary and Trevor Raftery to the Secretary position.

Our club acknowledges the excellent and tireless work undertaken by Heather over the last 10 years as Secretary of the PCT. A very responsible position and she did it without exception.

Thanks Heather.

Eight of our club members travelled to Horsham for the Victorian State Convention, they enjoyed themselves immensely and were impressed with the organisation and callers, particularly the young callers.

Our next big function for a few of us involves a trip across the Nullabor to the nationals in Perth. At this stage 11 club members are looking forward to catching up with fellow dancers and the excitement that surrounds the nationals.

Our regular Friday night dancing will continue here in the Mount with the Monday nights subject to numbers.
