PRESIDENT'S MESSAGE

The State Convention was a ripper event, the weather was perfect, the hall was great and the floor brilliant. The raffle prizes donated by local businesses and Clubs were much sought after, Some dancers screamed with delight during the sessions, I don't know what they were up to!

It was good to see so many interstate dancers and caller/cuers, thanks for joining us, I know you enjoyed yourselves.

The Saturday night tucker was enjoyed by all, thanks Terri and Ralph for organising, and there was the ripper BBQ on Sunday morning, a great way to wind down. Thank you Jeff, Scotty and Thelma for the programing, the Round dancers particularly appreciated Thelma's efforts in ensuring that the sessions complemented each other.

Thanks also to Mervin for the decorations and the rest of the committee and other helpers for their contribution. In particular I would like to thank my wife Karen for holding it all together, she worked really hard during both the planning and during the weekend.

Finally a big thank you to Mel Wilkerson our guest caller, wasn't he terrific?

Last month was also Yorke Promenaders birthday, they certainly know how to enjoy themselves.

SASDS COMMITTEE NEWS

Congratulations to the outgoing State Convention Committee for a brilliant job. We have received many positive comments about every aspect of the convention– the superb venue, great food and fantastic calling by Mel Wilkerson as well as our local and interstate callers and cuers. It was great to see people enjoying the dancing, having fun, meeting old friends & making new ones.

The Conveners for the 2019 State Convention in Naracoorte, Alan & Chris Hall sent their first report for our last Committee Meeting. They're certainly off to a flying start with arrangements for the venue and Guest Caller already in place. Naracoorte Town Hall sounds great, while Howard Cockburn is a real favourite amongst many dancers. Watch out for their flyers and start thinking about booking accommodation.

The next major event is our AGM on Thursday 25th October, we invite everyone to come along for a meal & socialising followed by the business.

Work is continuing on next year's Calendar as well as discussions around venue bookings for Society events as halls need to be booked well ahead of time.

Progress has been made on sorting the storage unit and a list of items available for Clubs to borrow will be publicised later.

Until next time, happy dancing,

Pauline

FROM THE EDITOR'S DESK

The next couple of months hosts a flurry of activity, we have a number of AGM's coming up, including the Society's own later this month. This issue of Round Up includes our minutes from last year and Treasurers report for your perusal. AGMs are a great chance to reflect on the year as a group and offer ideas for the future.

A number of upcoming birthdays to look out for Paddle Steamers, Pine City Twirlers and Kannella feature in the next couple of months.

November sees the start of the Christmas dances, Christmas already I hear you cry! Well the host of Christmas goodies already on the supermarket shelves tells us so, I personally refuse to buy puddings etc this early, but will reluctantly help consume any mince pies that appear at the basket suppers to avoid disappointment by well meaning dancers.

Thanks to John Casey and Scotty for supplying many of the photos appearing in this edition.

Cheers, Stephen

ADELAIDE OUTLAWS

Hi everyone. Thanks to all you who came along and helped us celebrate 33 years! What a wonderful night of Rock-n-Roll music, outfits and decorations and a buzzing atmosphere. Great to see dancers from our country clubs too - Yorke Promenaders and Paddle Steamers and of course visitors from all Adelaide clubs. A big thankyou to all the helpers and committee who arrived early to set up the eye catching decorations and the people who made the world's largest basket supper run smoothly. Also thanks to Pauline for representing SASDS with birthday wishes and to Stephen for

his lovely words and presentation to Graham and Dawn. We also enjoyed the calling from Ian, John and Les. 33 years - we'll keep on rockin' for many more.

Looking ahead, our annual Hallowe'en Dance will be at the end of October, on the 29th. See the advert for details. Here's another chance to dress the part - black, ghostly white or reds. Don't forget a creepy basket supper too.

Finally - I know you've been hanging out for it - yes, it's time. Our AGM is coming!! A great excuse to consume buckets of scones, jam and cream and have a brief run through the year, financials and an election of committee. See the below for details.

ADELAIDE OUTLAWS 33rd BIRTHDAY

VALE

HARRY THIEL and ZAREE SULLIVAN

Two of our members have recently passed away.

Both Harry and Zaree danced with us for many years and will be dearly missed. Zaree will be remembered for her regular attendance and continued support of our special nights even after she moved south of Adelaide.

Harry was a very friendly, regular dancer with us for many years. Our thoughts are with Janis.

Our condolences to their families.

Graham & Dawn and all the Adelaide Outlaws Dancers

Our 12th birthday has been and gone. Thank you to all that supported us once again. It was lovely to see the return of Darren Taylor to entertain us and keep us on our toes. Thanks also to Les, John, Ros, Andrea and Bernie.

Congratulations to Andrea and All About Squares on receiving their ten year plaque.

Congratulations also to the organising committee of this year's SA State Convention at Gawler and Hewett. The venue was excellent and we all enjoyed a lovely weekend stay.

We are saddened to hear of Zaree's passing and condolences go to fellow Paddle Steamers dancers. Zaree will be surely missed.

As mentioned in last report there was some procrastination as to when our 13th birthday will be, however the dancers at this year's birthday unanimously decided for us that our 13th birthday will be as a Trail In on Thursday night 22nd August 2019. Please put this in your diaries.

The SA State Convention will then follow on Friday 23rd through to Sunday 25th August 2019. Accommodation has already been booked by some.

Best wishes to Paddle Steamers for their 10th birthday celebrations. It is wonderful achievement for a small group to keep up the sharing and education of our wonderful sport.

JVC Square Dance Mid August saw us in Naracoorte for Acey Squares 12th Birthday weekend. The following Tuesday JVC Square Dance had another full square thanks to the return of Terry and Barbara after their family visit in Darwin. Then to Hewett for the State Convention. A very pleasant weekend with a good level of dancing and an informative Callers School with Mel Wilkerson – reminding even the more seasoned callers of the simple resolution methods.

On Tuesday 28th we only had three couples and had some interesting practice of some of the Mainstream – cast off $\frac{3}{4}$ and Dixie Style from various arrangements with two couples dancing. This was immediately followed with a completely different night at Kadina with Yorke Promenaders to help them celebrate their 3rd Birthday.

On 4th September we had a full square again and enjoyed an afternoon of easy fun dancing.

After a weekend at home we were refreshed for a full square on the 11th – with myself dancing to make up the square for two brackets. We looked at Spin chain thru from a number of formations and arrangements and also an explanation and practice of the changes in the Tag Family of movements.

Happy Dancing Everyone Jacqueline and John.

43rd Square Dancing State Convention Country in the City

The State Convention was in Hewett
On the edge of Gawler Town
You see it was 'Country in the City'
And square dancers all around.

Convenors Murray & Karen Dempsey
Assisted by Committee & Crew
Worked so very hard
To make it quite a 'do'

YP Promenaders
Brand new jackets & all
Went to the Convention
And really had a ball

First of all, there was Friday
Dancing afternoon & night
A break in between sessions
For all to have a bite

Saturday was another day
And Mainstream was our thing
Some of the songs we knew the words
And we began to sing

The callers, all so different
Made it so much fun
They knew when we had messed up
And then put us back as one

The main programme over,
Come Saturday night
Dancers they all reminisced
So bubbly & so bright

Bush tucker for our supper
Damper, soup, casserole & sweets
All so very tasty
So many yummy treats.

Sausage sizzle Sunday morning
The last catch-up call
To meet & greet the others
We really had a ball.

Thank you to Karen & Murray,
Committee & Callers too
We'll be back at the next Convention
Look forward to seeing you.

WHYALLA TWIRLERS

Well, once again, we're dancing on Monday nights. David and I have had a wonderful holiday and we're so pleased that dancers from Whyalla attended the State Convention and also Yorketown Promenaders.

I think Kadina is going to see quite a few more Whyalla people over there in the coming months.

Those who travelled to dance have had an amazing time and we thank all Square Dancers who made them so welcome.

Happy Dancing everyone, from Shirley and David.

Hi guys. Spring has arrived, good for some and not so good for others like me.

Its nice to see Pauline, Mick, and Wilma back dancing after their lovely holidays overseas.

Well done to those dancers who are learning A's, they are doing a great job. It's sad to see Anne Wilson not dancing due to an arm injury, hope to see her back on the floor soon. Allan Nicholls is recovering from his operation nicely, still not out of the woods but getting there.

Just a couple of reminders, our memberships are now due, we have a combined picnic on the 7th October with Wild Frontier at Mannum, also our 43rd birthday on the 27th October, see adverts in this issue of Round Up.

Kannella Squares History

Kannella Square commenced back in 1975 in October in the Kensington Park Uniting Church Hall on a Sunday evening. Although we are the oldest Plus Club in the country the Plus program was not officially a program. When the Plus program was officially put in place there were two parts, Plus 1 and Plus 2 and I still have the CallerLab booklets showing these separate levels.

Before that we danced movements such as "Walk the Plank", "Shuffle the Deck", "Spin Chain the Gears" (still there today) "Dixie Derby", "Spin the Bobbin' and a lot more. Back then I also had to wait until another caller gave up his night before I was allowed to open.

Kannella comes from an aboriginal word meaning "to dance" and was an idea from one of the dancers. Kannella progressed to "Advanced" back in the early 80's and then a small number of people wanted to dance "Challenge". We are now dancing all three programmes.

THE PADDLE STEAMER SQUARES DANCE CLUB INC

During August we held our Request Night with Les calling some of our old favourites. These included 'Elvira', 'Candles', 'Love Is In The Air' and 'When I'm 64'. To finish the night we selected 'New York, New York' which was in memory of Zaree

as it was one of her favourites.

On Monday, August 13th, both Club and Society members attended the funeral of Zaree Sullivan. This celebration was planned by Zaree, with John reading a relatives letter who reflected on her kindness and compassion, and Leon reading a Psalm.

Some members travelled to Naracoorte for Acey Squares birthday dance which they enjoyed immensely.

Paddle Steamers have recently been referred to as the knitting club. Several stalwarts bring their knitting along so as not to waste an idle minute. To emphasise their multi tasking we arranged for dancers to commence knitting at an opportune time. Surprise, a few giggles & interesting knitting comments came from those who hadn't picked up the knitting needles for a very long time.

We recently welcomed Judy & Brian back. If you have ever visited Yass you will relate to their story of having to chip the ice off the windscreen in the mornings.

What a supply of experiences and memories Chris brought with him to our 7th September dance after being in America for about 3 months. Not only were we entertained with his travelling anecdotes but were also provided with a 'caller challenge' with John. Chris would call to a certain point where John would have to deal with what was presented and continue calling until he handed the task back to Chris.

What they were able to achieve was totally outstanding!!!!

We'd love you to join us for our 10th Birthday Celebration, see the following page for details. Thanks to all those who have registered.

Gail

All about Squares

Over twenty dancers joined us for a dinner dance in the shed at the end of August, it was a pleasure to have Carmel and Greig join us. During the night a special Graduation Ceremony was conducted including several dancers receiving their graduation certificate. Congratulations to all.

Congratulations also to James on his selection to attend the top 5 players hockey presentation night and be selected in the team of the year. His team is also through to the Grand Final in the u/12's hockey and made it to the Grand Final of footy. Well done!

Due to numerous exciting opportunities unfolding in my private life I have made the decision to place club into recess for the rest of the year as I take valuable time to explore these opportunities and create a new and amazing future for James and I. Thanks to all the Club members who have been very supportive with my decision and understand the associated reasons.

Another month has flown by, we have welcomed back some of our travelling dancers, but others have gone away. We are still averaging three or four sets.

It was good to see so many dancers at the Convention, congratulations to the committee and callers on an excellent weekend. The venue was good, and we all enjoyed the very tasty supper on Saturday night.

Our Fathers' Day dance went well, with four sets, the bow tie decorations looked good. All men members got in for free and all men dancers received a ticket for a special prize, well done April for making the top hat tickets and thank you Marian for organising the special prize. Congratulations to Mal on winning it.

Several of our dancers enjoyed visiting Yorke Promenaders for their birthday and all said it was a very good evening. By the time this goes to print we will have visited Scoot Back Squares for their Footy Night, always a fun night.

Our first event in October will be the BYO picnic/dance at Mannum, you are all more than welcome to come along. Please contact Jeff or Scotty if you are interested in coming along to the dance at Pt. Parham, Keith Lethbridge will be the guest caller, you will remember he was our very well received guest caller at last year's State Convention.

Happy dancing everyone, Pat.

Our highlight for the last couple of weeks was our trip up to Naracoorte for Acey Squares 12th Birthday celebrations. Ten club members travelled up there for some excellent dancing with Darren Taylor, John Casey & Les Tulloch keeping us moving. We must congratulate Chris and her team for a job well done in organising the event and providing the scrumptious suppers.

Other Club members then travelled on to the SA State Convention. From all reports, this was enjoyed by all as was to be expected with the excellent calling by Mr Mel Wilkerson. All the dancers were impressed by the standard of the dance floor.

Some dancers are starting to arrive at the Southend Sands Caravan Park for our weekend away. A very relaxed two days of dancing and beach walking, with meals at the Community Club or fish & chips and BBQ Saturday evening.

The once a month pub lunches are proving very popular, only one pub to go to finish all of those in Mount Gambier and I guess after that we will just have to start all over again.

Organising the 35th Birthday events are progressing with the main focus at the last couple of meetings being the entertainment for the Monday night.

What can we say about the past month other than we've had a ball. The State Convention at Hewett was a blast, great venue, great dancing and just an all-over hell of a good time.

And the following weekend, our third birthday, surpassed all expectations. Thanks to all the dancers and callers that made the trip up to Kadina to help us celebrate.

I'll say no more and let the words of our poet member complete this report.

YORKE PROMENADERS 3rd BIRTHDAY

When Yorke Promenaders had birthday number three
There was so much excitement, as happy as could be.

Invites went out - 1st September was the date.
Square dancers came from all over, to help us celebrate.

A meal at the Wombat - fifty of us in all
Then just a short walk back, to the nearby square dance hall.

A change of clothes for some, skirts & petticoats all a go
They formed up in square sets, ready to do-sa-do

Four sets on the dance floor, was really great to see
We usually only get one set, rarely two and never three !

Much fun & laughter - mistakes, we made a few
But all the pro callers, knew who partnered who

Caller Scotty took to the stage, welcomed one and all
Graham, Jeff, Les, Ian & John invited to do their call.

We sang Happy Birthday – to Promenaders & Scotty too –
Happy, happy birthday - hip, hip, hooray to you.

Six callers on stage, all at one time together
It really was so much fun, despite the icy weather

A country wholesome supper, showed we could do it right
A very happy birthday - a fantastic, happy night. !!

Thank you to all who came along to help us celebrate

Anne and Les travelled to Naracoorte to help Acey Squares celebrate their 12th Birthday. Thank you to Chris, Alan and your dancers for the great weekend. We also got to teach a Round Dance on Saturday afternoon with a full floor which was good.

Glad to see a number of our dancers enjoying the State Convention including Plus and Rounds. Thank you to the Convention committee for a great weekend. Les was also pleased to have his first Plus calls at a Convention for over 12 years.

We were pleased to receive a number of visitors on the Tuesday following the Convention. We welcomed Ralph and Lyn Weiss from Chemistry Sets in Melbourne. Thanks Ralph for giving us a call and he also won the raffle. We also welcomed Beryl from Eastern 8's in Gippsland Victoria, great to see her again at the club

At the time of writing we still have one week to go out of our six week intake period for our learners class (well the six weeks just flew by). Numbers have not met expectations with only half a dozen people enrolling. However our mainstream numbers remain steady so we will continue with the help of our experienced dancers. In September we celebrated Fathers Day, it was our best attendance for many months, must have been the complimentary Irish Cream and Port.

Happy dancing from Anne & Les

Scootback Squares would like to congratulate the State Convention committee on the success of the Convention.

Everyone enjoyed Mel's calling and company. It creates such a wonderful atmosphere with a different voice along with our States finest callers. Well done!

By the time you read this we would of had our annual footy fever night with Wild Frontier, more on that in the next months issue.

We also had a few dancers who went to Yorke Promenaders birthday who reported that they really enjoyed themselves, which is why most of us love Square Dancing. Let's keep this wonderful activity going for many more years to come.

De Square lady

Did You know?

Scootback Squares is a committee run club, it started that way when the club was formed on 17th June 2011 and is still that way today.

I can't believe that another State Convention has come and gone. I must congratulate the Committee on bringing to you a great Convention. They worked well as a group with Karen having her finger on the pulse at all times and Murray learnt to say 'Yes Dear'. The hall I thought was very impressive with great sound, good floor and with all the elements needed and the weather was great.

What a treat we had for Saturday night supper, with the soups, casseroles and damper, and what about those desserts.

I thought the Round Dance programme went very well and I hope all those dancing thought so too. I didn't hear any complaints, although I finished 1/2 hour early and was able to continue with some extra dances with the help of Les. A big thank you to all the Cuers.

So now we have our Festival coming up, which I mentioned in the last Round Up. I am really looking forward to the Choreographers Show cases, demonstrations, and teaching sessions. We will have a good number of teachers present so we can pass all the new dances onto our dancers. So by the time this issue is out I will well and truly be ready for a break.

Presidents Report to Annual General Meeting 26 October 2017

Hello fellow dancers

What a great year 2017 has been to make our State great in South Australia now I feel we are working together as a team. My Executive along with our club representatives are more proactive with members at clubs and dances.

Yes, we are looking at going on line for memberships and round ups. Les has already been putting a new form together but to do this we will need the permission from members and their email address, but it will also be available for those who don't have access to a computer this will also apply to round ups. Do you like the committee news in the Round Up this will be ongoing with our new committee?

It was wonderful to see so many dancers at our Dinner Dance at Marion and the friendship between dancers welcoming new graduates who came along and also our country dancers. New programs are being tried to suit all dancers with a variety of Rounds, Mainstream and Plus, thank you.

We also attended several graduations this year I attended Wild Frontier and Adelaide Outlaws while Murray Dempsey attended York Promanaders Graduation so please make them feel welcome at dances and encourage them to join us at Society Functions and make new friends.

Our year has been filled with lots of Birthdays York Promanaders - 2nd, JVC's -3rd, Scoot Backs - 6th, Paddlesteamers - 9th, All About Squares - 9th, Sunset Twirlers - 22nd Adelaide Outlaws - 32nd, Kannella's - 42nd and Wild Frontier – 44th congratulations. Congratulations to Les on Sunset Twirlers Plus Club starting up.

Also this year we had a brain storming session where callers, cuers and reps (if no caller attended) were invited to a BBQ Lunch where ideas were raised by all who attended. This worked well with everybody coming up with ideas to improve both forms of dancing with squares and rounds, working as a team

We have taken some of these onboard already and as I have already mentioned are membership, Round ups going on line may be a Facebook page for society if a Publicity Officer comes on board.

Moving along to our State Convention for 2017 congratulations to Scotty and Jeff our Conveners and their committee. It was a memorable and friendly Convention in Mannum with people coming from interstate and not forgetting our Feature Caller Keith Leithbridge with his poetry, bush ballads and musical instruments. Thank you to Keith you are truly an entertainer. What a great weekend of dancing and friendships have been made. With the use of try booking we are moving into the future and maybe we can look at using it for other events.

At the last AGM we brought up about the Australian Square Dance Review and I have had a lot of complimentary comments from interstate dancers who have enjoyed reading my reports on what is happening in South Australia.

We are looking forward to seeing you all at our Society Xmas Dance to be held at Klemzig Community Hall and you never know you might be the Lucky winner of \$50 in our membership draw. So, our Committee of 2017 would like to see you all on the dance floor for more fellowship and friendship this Xmas.

I would like to thank our outgoing Committee for their services, Caroline Stavast for her eighteen months to SASDS as Round Up Editor.

We are looking to move the Society into a new era of cooperation and working together with Rounds and Squares as a team in 2018.

Keep your Calendar handy for upcoming events. Until the next AGM I hope to see you on the Dance Floor.

Items for Discussion

Allan Tuckfield presented three topics for discussion

That any dancer registered with a Club automatically becomes a Society member. That in lieu of Society membership, the dancer pays the Club who then forwards fees to the Society.

That the Round Up should be online so saving considerable printing and posting costs. However a printed copy should be available for those who wish to have that.

Now that Round Dancers have their own Association [SARDA], it is no longer necessary or appropriate for the Constitution of SASDS to include this or for a SARDA rep to be on the SASDS Committee.

These items produced lively and spirited discussions with many varied viewpoints being expressed.

Vote of Thanks

Jan Stephens gave a vote of thanks to the current Executive Committee for their work during the past year.
