# PRESIDENT'S MESSAGE

Hi There,

The AGM is over for another year . Diana Waters was elected our new Vice President, congratulations Diana, looking forward to working with you, Pauline Ottaway returned as our Secretary. Both these positions are held for two years.

I was proud to present Les Tulloch with Life Membership of SASDS, well deserved given his commitment to both Square Dancing and SASDS, a long time coming.

Pine City Twirlers 35th birthday, what an achievement for a Record Club, well done everyone. Thoroughly enjoyed the weekend, very good tucker at the Club and pubs, Mike was in good form with his calling as were the other callers. A brilliant weekend of dancing. I heard a lot of people enjoyed the Whistling Cat Café, it is a good café to enjoy the company of friends and other dancers, Julie and Kevin put on a good spread. The tours of Tantanoola Caves were interesting and the museum at Millicent was fascinating with all its local history. At the Somerset Hotel in Millicent, I enjoyed both the meal and the very pleasant surrounds. If you are in Millicent do drop in, you will enjoy it as well.

I see Christmas is just around the corner and all the Clubs are having their Christmas parties, I hope you are all enjoying yourself.

I wish you all a wonderful Christmas with your family and friends and we hope to see you back again next year in 2019. Have a safe and sound Christmas plus a Happy New Year.

Murray Dempsey, President

# SASDS COMMITTEE NEWS

Once again there was quite a good turnout of dancers to enjoy a meal together at the Junction Bistro prior to the AGM on 25<sup>th</sup> October.

Murray gave an overview of the year's events and Don answered questions regarding the financial statement. It was then down to the business of electing officers for those positions due for renewal. We are all delighted to welcome Diana Waters to the position of Vice President and look forward to having someone with fresh ideas on the committee. I was nominated for Secretary again and was happy to accept. Meanwhile Murray will continue as Acting President until the 2019 AGM.

The SASDS committee welcomed the opportunity to show our appreciation to the State Convention conveners and committee. We had a fantastic convention at Hewitt, a lovely location with a superb venue where we had a lot of fun dancing to the Guest Caller Mel Wilkerson, along with other local & interstate callers & cuers. Certificates were presented to Conveners Karen & Murray Dempsey & their committee Terri & Ralph Pearce, Thelma McCue, Mervyn Hier, Peter Scott & Jeff Seidel. Stephen Janes & Rose Wood were absent, so were presented at the Christmas Dance.

The next item on the agenda was the recommendation from the Committee to members, that Les Tulloch be awarded Life Membership for his significant services over many years to the Society and SA Square Dancing. This was accepted enthusiastically by the members present.

You may have heard that Carl Mullen, our Webmaster, is returning to Adelaide after living on the Gold Coast for the last few years. He has done a fantastic job with the website from afar and relocation will probably make the job easier. As very active Square Dancers, Carl & Karen will be welcomed back at many SA Clubs & we look forward to seeing them on the floor soon.

**The Committee has decided that all members should have a printed copy of the 2019 Calendar which will be distributed by Club Reps.** Many thanks to Scotty for liaising with Clubs & Callers during its production.

Chris & Alan Hall, our Conveners for the next State Convention in Naracoorte, report that they have almost finalised their Committee. Scotty and other SASDS Members viewed the Naracoorte Town Hall recently and were impressed with it as the venue. The draft dance programme has been compiled. So things are progressing well & we can look forward to more information from them next year.

Wishing everyone a wonderful Christmas. I'll be back with more news next year.

Cheers, Pauline

# FROM THE EDITOR'S DESK

Firstly I must apologise for not being at the AGM, Square Dance events in Victoria tempted Maryka and I across the border, but we were not the only guilty ones!

A few South Australians and a Tasmanian joined Jaden Frigo and Paul Bristow for a weekend of dancing

Having just completed my first year as Round Up editor I must acknowledge all the Club report writers, these are the dancers who make Round Up the magazine it is. I would also like to thank my photographers, in particular John Casey who is very efficient at providing me with numerous photographs! And lastly thank you to the dancers who have provided positive feedback on the revised magazine.

Merry Christmas to all. Stephen

## 2018 SASDS CHRISTMAS DANCE

# ADELAIDE OUTLAWS

Let me begin by sincerely thanking everyone who helped Graham celebrate his 60th birthday last month. Both the Monday and Wednesday Clubs made a lovely fuss and it is humbling to have such wonderful friends in our Clubs. Special mention to Yvonne who has a knack of making a celebration a special one.

Our Plus Club enjoyed a social dinner out before dancing recently and fuelled ourselves at the nearby Albion Hotel.

At our AGM last month we thanked our out-going committee and welcomed in our newly elected committee. Great to have

some new faces on board and we look forward to another great year. Oh, and the scones went down well too! Thanks to those who provided them.

So we frock up and prepare for the Christmas parties! We will be celebrating the year end with a Xmas dinner and dance at the Monday Mainstream club and a Xmas party for the Wednesday Plus club. All the details are in the ads but please book if you wish to join us for the dinner. Also look for our re-opening dates in January.

And so we wish all our friends a very Merry Xmas and Happy New Year and thankyou one and all for supporting our Clubs and making them the joy they are. Looking forward to another great year ahead.

### JVC Square Dance

JVC Square Dance has had a rocky month and last week I had to dance to make a set. We had a look at Wheel Around and choreography that starts a movement with your own partner. Last month we visited Adelaide Outlaws and saw how Graham is tackling the teaching of three levels to keep the dancers motivated. It was also a special night to celebrate Graham's birthday, what a great night he put on – lots of visitors to help him

celebrate this special occasion.

The following Saturday there was the SASDS Christmas Dance. This was also a great night with all the SA Callers in attendance. We have also attended Paddle Steamers dances three times this month.

Happy Dancing Everyone Jacqueline and John.

<https://jvcsquaredance.com>

We have been busy at Scootbacks as we get ready for our end of year dinner and last few dances. We will be enjoying our catered Christmas dinner on the 30th November, I'm sure we will all enjoy the delicious food and sweets. Scootbacks also have their last dance on the 14th December, we hope to finish the year with an enjoyable night for all.

Scootbacks would like to extend a happy birthday to Graham Elliott as he turned 60! He surely doesn't look his age and he still has got the moves. A few of our Scootback members visited his club for his surprise party.

**I would also like to remind you of our hot weather policy, if it is forecast to be 36 degrees or hotter on the Thursday we will not be dancing on the Friday.**

Merry Christmas to all and a very happy new year, stay safe and we look forward to seeing everyone in the new year!

De Square Lady

Hi all, another month has gone and its getting closer and closer to the man in red arriving. Talking about Christmas on the 13th we enjoyed a lovely end of year Christmas Dinner with the company of Wild Frontier, a little low in numbers but for those who came we had a great time, dancing and eating a lot of yummy food from the all you can eat selection.

We celebrated our 43rd Birthday in late October, thank you to the dancers that helped with the decorations, also thank you to Angela Nicholls for making the birthday cake, it was lovely sugar free cake (yum). It was a pleasure to have our newly nominated life members Mick, Pauline and Wilma cut the cake. Always great to see the other callers come along and help celebrate with us, How can I forget the cheese and wine which went down very well leaving very little on the platter.

Just a couple of reminders, 4th December our AGM is also a Pizza Night and 11th December is our Christmas break up, don't forget to bring supper for both.

April

We are extremely appreciative of all dancers who attended our 10<sup>th</sup> Birthday Weekend from 12<sup>th</sup>-14<sup>th</sup> October. On Friday night seven sets were dancing on the floor at the Port Elliot Institute. We had good weather, plenty of supper to choose from and enthusiastic, proficient callers.

Happy Birthday to the Pine City Twirlers who had their 35<sup>th</sup> Birthday celebration in November.

Kannella Squares has also had their 43<sup>rd</sup> birthday. They are the oldest Plus club in Australia with a continuous caller.

Some of our dancers went to the Weda Helawi dance at Port Parham and danced to Keith Lethbridge.

At our first Friday night dance after the birthday weekend, Les was back with us as our caller. He also had a raised stand on which his laptop sat for ease of viewing. We thought that was rather 'high tech' & impressive!!!! Our plus learners are going well and even attempted Plus at the birthday with some success and a lot of laughs. We are planning a big drive to attract learners in the new year.

With our finishing date for the year being 14<sup>th</sup> December it's only a short time to go before we can acclaim another highly successful twelve months of Clubs doing their best for square dancing.

Gail

---

The combined Wild Frontier/Yorke Promenaders dance at Pt. Parham, was a great success, as I am sure everyone who attended would agree. Keith Lethbridge is a very entertaining, talented caller. Even calling with his back to the dancers and managing to get us back to our right spots. Those who had dinner said it was a very good meal. Great to see dancers from Whyalla as well as from the usual Clubs. Keith would be

happy to come back and do it again, so perhaps next year.

We still have dancers away, travelling, we wish them all a safe return, and some with injuries and hope they recover soon and we see them dancing again.

Baby Iliana is looking very healthy after her operation and we hope she continues to thrive.

By the time this goes to print we will have had our Christmas dinner at The Old Mill, always an enjoyable night.

I would like to take the opportunity to wish all Callers and dancers a very Happy Christmas and good health for 2019.

Happy dancing, Pat.

SUNSET TWIRLERS

In October instead of the traditional Halloween Dance we decided to go flower power. Thank you to all those who dressed up, We have to admit some of you looked right at home with long hair, head band, beads, flowers. Everyone thought Les looked a lot better with long hair and all the singing calls were

songs from the 60's.

On November 13 we held our AGM. Congratulations to our elected officers Eddie Lee (President), Ingrid Cottrell (Vice President), Rose Wood (Secretary), Diana Lawson (Committee Member) we look forward to working with you all to manage the Club. Thank you to Margaret, Roy & Cheryl for your time on the committee and who did not stand for re-election.

Speaking of Roy & Cheryl we have managed to contact them and they have returned from their trip up north but Roy is still recovering from illness so we are not sure when they will return to dancing. We wish Roy a speedy recovery and hope to see them back soon.

Anne & Les travelled down to Mt Gambier to help Pine City Twirlers celebrate their 35th Birthday. Congratulations and another great dance.

To all our dancers we hope you have a joyous festive season and look forward to your safe return and support throughout 2019.

Would you believe this is the 27th time I have written this column for the last edition of the year, and what can I say that is different. Well I can start by saying I will be starting a **NEW LEARNERS CLASS** on **Sunday 20th January at 2-30 - 4-30pm**. Wouldn't it be nice if you could join in with the Rounds at Society and Callers Dances and State or National Conventions, and of course our Festivals. At our last Convention there were over 120 dances programmed. As I have said so many times "You get the best of both worlds when you **Square and Round dance**" [See Advert page 15]

Like most Clubs numbers are down on previous years due to age, illness, operations, injuries and holidays. We can't do much about age, but let's hope those with injuries and illnesses will all be back on track in 2019. We wish Terri a speedy recovery from her knee replacement. I must say a big thank you to all who have supported our Club throughout the year.

Our usual Christmas dance will be on 2nd December with dancing from 1-00 till 5-00pm, bring a plate for a shared tea. May I take this opportunity to wish all Cuers, Callers and Dancers the very best for the coming Festive Season.

Thelma

Pine City Twirlers 35th birthday celebrated over 4 days (Nov 2-5th), was a great success. Dancers travelled from many Clubs in SA and Victoria along with ten caller and cuers. Many thanks to you all for making the weekend such a fun and joy filled event.

During the weekend, foundation members, Anne and Gordon Grant were able to open the event and cut the 35th cake, which was baked by Coral and decorated by June Jones.

SASDS president, Murray, presented the Club with the shield for 35 years of dancing and praised the Club for being so successful as a record club.

David Thomas spoke whilst three members (Coral Lynch, Ellis & Heather Telford) were awarded Life Memberships.

Many thanks to John Cash for hosting our Friday night program and Mike Davey for scheduling all the dancing for Saturday, Sunday and Monday nights.

A bus trip on Monday to Tantanoola caves, Millicent museum and Somerest Hotel proved to be very popular.

The final evening had a changed program with a live band to dance to or listen to and with demonstrations by rock'n'roll dancers, along with Square Dancing for everyone.

Our final event for 2018 will be our Christmas Dance held on Friday 14th December.

We will have a scrumptious Christmas Dinner followed by dancing. Everyone is welcome. New and potential dancers are encouraged to attend.

Happy Christmas from Mount Gambier. Hope to see you all next year.

WHYALLA TWIRLERS

Only one more month of dancing until our Christmas break. Get well soon wishes to Maarty and Kerry. Class dancing is exceptional, any new techniques are now coming into play and everyone is enjoying a

Hoedown with their confidence building.

Our Christmas breakup dance is on the 10th December and we return on 4th February with our 1st Birthday dance. Thank you to the SASDS for their help this year and to our very wonderful Callers who have assisted during this time.

Wishing all Square Dancers a very Merry Christmas and a Happy New Year.

Happy dancing everyone, from Shirley and David

What a hectic and fun time we've had over the past few weeks. The Weda Helawi Halfway Dance, sponsored by both Wild Frontier and Yorke Promenaders proved to be a great success. Held at the Port Parham Social Club, a small fishing village roughly half way between Kadina and Adelaide. Guest Caller, Keith Lethbridge, kept us entertained with his bush poetry and musical talents besides keeping the floor moving with his excellent calling. Dancers from all the Adelaide Clubs, Victor Harbor and Whyalla joined us. The Port Parham Social Club bent over backwards to accommodate us, providing terrific meals along with a raffle as well as pretty much turning the whole venue over to us. In all, a great night was had by both dancers and PPSC members.

We will be doing another Weda Hellawi Dance next year at the same venue, and as a side note, the PPSC manager said that any dancers coming in their caravan/ RV can park in the club parking area if the free camping area is full and the toilet facilities will be left open.

The following Tuesday Keith also came up to Kadina to dance and call with us. Scotty brought him up on Monday and showed him around Wallaroo. We enjoyed dinner at the Coopers Ale House together with Roger and Celia, and afterwards Keith went home and spent the night with them. Next morning Scotty took Keith on a little tour of the Copper Triangle, with a lunch of Cornish pasties in Moonta before heading into Kadina for the dance. Thankyou Keith for a fantastic Weda Helawi Dance and coming up and visiting our Club.

A few of us went to Adelaide to attend the SASDS Christmas Dance. We had a terrific night of dancing, enjoying the calls of the full compliment of the South Australian callers. It was good to catch up with a few of the folk that we hadn't seen for a while and get to meet with our regular friends in the square dancing family.

With this being the last Round Up for 2018 Yorke Promenaders we wish all dancers and callers a Very Merry Christmas and a Happy & Prosperous New Year.

Until 2019, Happy Dancing

# TIPS FOR BETTER DANCING

## Broken Sets

There are two methods to get back dancing.

### **Firstly the official Callerlab/ACF method :**

If dancers in a confused but partially functioning square hear “Make Normal Lines” then lost dancers should quickly adjust to Normal Couples (Boy Left, Girl right) ready to join the forming Normal (Boy Girl - Boy-Girl) Facing Lines.

In the case of total breakdown each dancer should return to home position as soon as possible. Then the head ladies join hands with their corner and the head couples back out to form normal lines at the sides of the square.

On the caller’s command, “Normal Lines, Go Forward and Back” all lost squares enter into the dance pattern. If a resolution is heard first, then dancers in lost squares should simply adjust to a squared set.

Dancers in a lost square must remember that re-entering from normal lines does not guarantee a correct resolution. Full recovery will probably require sorting to home during the promenade (Move counter clockwise but step out at your home).

### **The quicker and easily remembered method:**

If the set is breaking down, form two facing lines of four as Normal Couples ready to join in. (Normal Couples means boy on left and girl on right of the couple)

You don’t need to be with original partner.

Wait for the caller to signify “lines up and back” then join in.

Dancers in a lost square must remember that re-entering from normal lines does not guarantee a correct resolution.

Full recovery will probably require sorting partners once home.

**Essentially – make 2 lines of 4 as quickly as you can ready to join back in.**
