# PRESIDENT'S MESSAGE

Hello Everyone:

Congratulations to Whyalla Twirlers on your **first birthday**, and I hope there are many more to follow. Many thanks to Les Tulloch for presenting the Club with their one year shield on the behalf of the Society, much appreciated.

All the Clubs have started up again for another big year full of dancing and having fun.

Wild Frontier's 46<sup>th</sup> birthday, what a milestone, well done Wild Frontier and Jeff Seidel. Thank you Diana Waters for representing the Society in your new role as Vice President.

Wild Frontier is the longest club running here in South Australia, so keep up with the good work. I'm looking forward to their 50<sup>th</sup> in four years time to see how they will celebrated that.

We welcome Shirley Bates to the Committee as SARDA representative and Ingrid Cottrell as Club representative for the Sunset Twirlers, we look forward to working together as a Committee and representing South Australia the best way we can, so welcome aboard ladies.

Thank you

Murray Dempsey

# SASDS COMMITTEE NEWS

The Committee is hard at work with several projects on the agenda.

New 'Guidelines for the Round Up' are being discussed & formulated. When completed, these will be circulated to Clubs.

We are considering options to obtain books for Learners, which some Clubs are very keen to get.

Running a State Convention in a country area is no mean feat and involves much planning. The Co-ordinators, Alan & Chris Hall, have put together a committee comprising of members based in the Naracoorte area and in Adelaide. Technology has come to their aid in the form of using Skype for meetings, which has proved very satisfactory. The SASDS Committee is kept up to date through their reports to our monthly meetings.

The National Square Dance Society of Australia issues a quarterly publication 'The Review'. It's released in February, May, August and November. The Review is freely available to access on the National website:

[www.squaredancingaustralia.org](http://www.squaredancingaustralia.org) It's an interesting read as there is usually a report from each of the States. Did you know that 'The Round Up' can also be accessed on the National website as well as our own. [ Not the latest edition of course].

All the Clubs seem to be back in full swing and gearing up for another very busy year.

Happy dancing,

Cheers, Pauline

## FROM THE EDITORS DESK

This months issue gives us plenty to look forward to with a number of upcoming events. The most anticipated is the State Convention and this issue includes lots of information on prices, dance sessions and accommodation options.

Conveners Alan and Chris recommend that you book your accommodation soon as there could be another event in town competing for rooms.

Cheers, Stephen

## ADELAIDE OUTLAWS

It was a wonderful atmosphere at our Valentine's Charity Dance last month. Dancers looked great in their reds, the pre-loved clothing "store" was busy and the hall resounded to the popular requests throughout the night. This even included tackling the old standard "The Grand Colonel Spin". What a sense of achievement! Funds raised from this night will go to the Cancer Care Centre here in Adelaide. Thanks also to those who helped set up the "store" and helped with catering and decorations.

This coming month of March we have a special dance to host US caller Jerry Jestin on his "farewell tour" of Australia. Note it will be on a Wednesday night and at the Macedonian Hall. Shortly after that we will present our popular St Patrick's Spud night. Please ensure you book if you would like a spud meal with us.

Please note too - we will be closed for one night on March 11th as we visit the 50th Victorian State Convention.

Coming up in April, we will be holding the Easter Dance and at the end of the month, we will be closed for one week as we travel to Tasmania for the National Convention.

## ADELAIDE OUTLAWS AUSSIE NIGHT 2019

Welcome to 2019 and a rather busy year ahead for all of us. Nice to see that clubs have had successful starts for the year. In this edition you will find some information regarding our club birthday and the SA State Convention to be held in August. We are all looking forward to a fantastic event to be enjoyed by all. A lot of planning and preparation has gone in so far with more to come.

**As Conveners we strongly encourage you to arrange accommodation, if you are considering travelling to the Limestone Coast for the State event. We have word along the grapevine that there may potentially be another event in town on Thursday and Friday.**

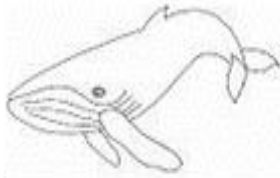

Despite having some members away travelling on holidays we have managed to dance, with a good warm up had by all. Some nights have been rather social with catch up of the festive seasons events.

## JVC Square Dance

JVC Square Dance had wonderful first day back this year on 5<sup>th</sup> February with a visit from Karen, Carl and Maarty. With no new dancers in attendance we spent the whole day going through as many movements as I could remember and all the dancers had a wonderful day.

On 12<sup>th</sup> February we had a drop in numbers and were only able to dance a mini square – but a number of movements were

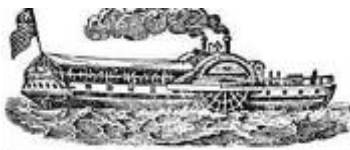

worked on to learn the full definition implications.

Jacqui and I also visited Paddle Steamers and danced in the side room where the floor is not so sticky.

Happy Dancing Everyone

Jacqueline and John.

<https://jvcsquaredance.com>

THE PADDLE STEAMER SQUARES DANCE CLUB INC.

We hope all the further afield dancers were able to endure the extreme heat conditions. On the South Coast we are lucky to have, on average, lower temperatures which made it a bit more bearable to go about getting things done.

Our return to dancing was on the 25<sup>th</sup> January with an Australia Day theme. As usual we had members in red, white & blue and also green & gold attire & accessories. Les was calling and using his repertoire of Australian classics. Although it is getting harder for Leon to get around he attended our opening night and won the Lucky Envelope.....again!!!

Faye joined us after returning from her overseas trip which included U.K. and Switzerland. She was able to catch up with many friends along the way and stayed with her sister for two weeks in England. One story of hers was a train delay which just happened to be on a bridge overlooking the landscape of London. This was ideal, according to Faye, as she could view all the iconic landmarks from above while she was waiting for the train to resume its journey.

With Milton calling, the following week, his aim was to have popular music without hearing any banjos. All was going well until one move caused mass misinterpretation. Dancers were floating around everywhere all definite that their interpretation was correct!!!!

For a trial, we danced in the supper room with Chris, John & Ros calling. The resurfaced hall floor is not totally suitable for us but the supper room has a different surface which seemed to be favourable. We had plenty of laughs and even witnessed a walking stick & a Rollator Walker (walking frame with seat & wheels) being included in the set.

Towards the end of February we co-ordinated a 'Flash Mob' held at Bunnings with a free afternoon dance at Carackalinga House, Victor Harbor. That should create some interesting reading for you all in the next Round Up!!!!

Kannella dancers continue to enjoy their dancing. On Saturday 9th February Kannella held a night dedicated to the A & C levels. On our regular Tuesday nights the A & C dancers only get an hour of each level before Plus commences at 8pm, so a full night of higher level dancing is much appreciated with two sets on the floor.

Last month Kannella dancers attended the birthday of our sister club Wild Frontier. A colourful night and a cleverly crafted speech from Diana that honoured Jeff's dedication of 46 years. Thanks Jeff and the Committee for your time and enthusiasm

Hello everyone. Firstly, well done to the committee who decorated the hall for our Aussie night dance; it looked great. The hot pies plus Carolyn's home-made damper (with butter &/or jam and cream) went down a treat – thank you.

It's always nice to welcome visitors and early February we enjoyed the company of dancers from the Swan Valley in WA.

Thank you to everyone who followed the Yellow Brick Road to help us celebrate our 46<sup>th</sup> Birthday. The committee did a great job with the decorations in both the hall and foyer and in true Square Dance fashion we had a super supper spread – thanks to you all. It was great to see a rainbow of colours on the dance floor; along with a couple of Dorothys, a Lion, both the good & bad witches, Tin Man, Munchkin, Dorothy's Dad and others. Society Vice-President, Diana Waters, gave a great speech and Jeff was supported during the night by some great calling from Graham, Les, Ian, John and Ros; including a couple of duets – thank you all very much; we appreciate your support. Thanks also to Heather Coutts for our Rainbow Birthday cake, which was cut by Heather and fellow club member Julie Walladge.

Coming up quickly is our weekend away with Kannella Squares to Mannum – if you haven't booked yet it's not too late. If you want to join us for dinner at the Mannum Community Club on the Friday night, please let us know as we need to give them numbers. There is an information flyer available at the cCub with all the nitty gritty details of what's happening for the whole weekend. As St. Patrick's day falls on the Sunday, please feel free to dress in theme and go green on any or all of the dance sessions.

Next month there will be our Easter Saturday dance and a closure for the National Convention in Tasmania – details next issue.

Happy dancing, Jenny.

## WILD FRONTIER'S 46TH BIRTHDAY

SUNSET TWIRLERS

Sunset Twirlers started the year off with our Down Under Ball. Red, white, blue, green & gold everywhere and mini pie floaters for supper were delicious. Thank you to all who dressed the theme and Eddie & Rosalie for organising the supper (See photo below, more photos on our website)

On 4 February Anne & Les travelled to help Whyalla Twirlers celebrate their first birthday. We were asked to present their shield on behalf of the Society which we did proudly along with lots of encouragement. It was also great to catch up with Shirley, David and a few dancers who we knew from the previous club. It was also good to chat with the new dancers. Anne and I were very pleased to be invited to do a short teaching session on Round Dancing (two step) as well.

Welcome to Maarty who is dancing regularly now after moving from Whyalla.

I started a new Learners class on January 20th with a few new dancers joining us who are thoroughly enjoying their Rounds. It is good to see Sandra and Bob and Barbara and Stan stay on for revision.

Our club is moving at a little slower speed this year due to the fact my doctor wanted to take a scalpel to my head and make a bit of a mess of it, with another dose coming up next week, but you know the saying "You can't keep a good girl down" but it can slow you down a bit.

We have done more revision on some of the dances that haven't been danced for some time. Sundays first session are learning a new Quickstep "Movin Quickstep" and are having a workshop on "Tango Roseritta", a Waltz "Life Is A Slow Dance" and "Saying Something Stupid" Cha. I hope to get two new Slow Two Steps dances done for Friday Nights with "Girl Crush" by Little Big Town and Ed Sheeran's "Perfect", two good pieces of music.

We certainly hope the worst of the hot weather is behind us.

All for now

Regards Thelma

## WHYALLA TWIRLERS

With special thanks to the Society and Les and Anne Tulloch, our Club enjoyed a very happy 1st Birthday. Thank you to Les and Anne for presenting the plaque. We do hope we don't have to give it back - it has our name on it! . It was wonderful of you both to come up as it gave another view of Square Dancing.

All our dancers acquitted themselves very well to Les' Hoedown. We missed Scotty and Jeff, but totally understand how there are just so many hours in a day and sometimes there's too much to fit in.

Our sincere sympathy to Kerry on the passing of her daughter in Newcastle. Our thoughts and love are with you as you travel interstate on this sad occasion. We're now looking forward to our Irish night on 18th March. More fun and laughter - we can handle that! Until next month, Happy Dancing

David and Shirley

Hi there, Isn't it good to be dancing again.

Our club started dancing in the New Year on the 1st of February and to our great delight, eight new dancers to the club turned up for the first basic dance evening and, three weeks in, they are all still attending with smiles on their faces. We obviously did

something right in our promotions.

Our mainstream dancing continues on the Monday night.

At this stage, thirteen Club members are travelling to Adelaide for the Jerry Jestin farewell night with the Adelaide Outlaws. We know this will be an exciting night as we already dance to his CD's and love his music. Looking forward to it.

Heather and Kathy each celebrated a birthday just recently and it was "yellow rocks" all round. Didn't find out how old Heather is but I know Kathy's age (born the same year as myself).

Till next month. Cheers Trevor

At Scootbacks our hot weather policy meant a staggered start to the years dancing due to the mixed bag of warm and cool nights.

Our Valentine's dance was well attended with two squares, all enjoying the love songs. With Easter fast approaching I'm sure many of us are wondering where the year is going.

A few of our dancers attended Wild Frontiers 46th birthday. It was a wonderful night celebrating this momentous occasion. We hope there

are many more birthdays to come!

Also just a side note about birthdays, Scootbacks birthday will be on a Friday night this year, 14th June. We know this is unusual but due to our other venue being demolished we are having at our normal hall in Salisbury. We hope to see many of you there to celebrate.

Keep having fun dancing, De Square Lady.

No report from Scotty this month as he has been enjoying a visit to Cambodia, perhaps even catching up on some yummy street food. He will be back on board in the next issue.
