# PRESIDENT'S MESSAGE

Hello Everyone,

With the AGM coming up this may my last report, but it's been an interesting couple of years, I've learnt a lot about myself and people in the Square Dance environment.

Most dancers are out to have a good time and enjoy life, I can relate to that as I have had a wonderful time dancing with great people over the many years. I will continue to have good times with the fun loving dancers that I've had the privilege of meeting.

I hope all of you show up at the AGM to have your say about who will guide Square Dancing in South Australia in the years ahead.

Wild Frontier had two young girls graduate late September, congratulations to Keira and Madison Stavast, fantastic job girls and hope to see you around the dance floor.

Also one recent graduate at the Paddle Steamers birthday dance, welcome Christine Jones, if you see her on the dance floor welcome her to Square Dancing and feel part of the big family.

Thank you

Murray Dempsey

# **SASDS COMMITTEE NEWS**

With a mere eight voting committee members present, the September meeting was subdued, but happy - with the whole committee united in laughter at times.

Treasurer Don Stephens advised that the National Learners Fund still has funds awaiting claim by some of the smaller clubs. The committee voted that the rules be relaxed to allow the unclaimed funds to be used to replace or repair audio and audio-related equipment essential to the functioning of a club, instead of being restricted to meeting the costs of running learners' classes. Hopefully this will help out some of the smaller clubs.

I've now taken on additional responsibility, because the National Square Dance Society of Australia wrote to SASDS recently, seeking a South Australian representative for the National promotions committee, which plans a major promotion of Square Dancing in March 2020. The first "Zoom"-mediated meeting of this committee will be on November 3rd.

Stocks of the recently purchased learners' books are quickly depleting as they're snapped up by clubs and dancers. Hopefully, it'll be possible to get replacement stock. This has been something of a problem in the past.

Diana Waters

(SASDS vice-president & acting secretary)

## **FROM THE EDITORS DESK**

This month's issue celebrates two more club birthdays. We now move into the Christmas celebration period with a number of dinner dances promoted this month. I am sure that our hardworking callers and cuers look forward to their well earned Christmas break.

Since last month's issue I've been hearing that many dancers enjoyed the reflective poem on the recent State Convention, our talented poet is Carolyn Coombe a dancer with Yorke Promenaders. Well done Carolyn!

Don't forget to mark the upcoming Society dance on the 16th November in your dairies.

Happy reading, Stephen

## ADELAIDE OUTLAWS

Hi everyone. Just to complete the story of our 34th Birthday, we have included some photos in this Round Up from that September night.

Our Hallowe'en night would have just been held and we thank all of you who joined us and made it a great night of entertainment and dancing. Big thanks to the helpers who set up the decorations (there seem to be more each year!) and to those who contributed to the atmosphere with costumes and supper.

Coming up shortly is our AGM and we look forward to fuelling the occasion with scones, jam and cream. It's only a brief meeting during the supper break and minimal break to some great dancing. Come along and thank our current committee for all the help they've given over the past 12 months.

Have you booked in for the Xmas Dinner? See the ads this edition for the details and we'd love you to join us for a festive break up in December. Mark your diaries now.

And speaking of forward planning, our opening dates for 2020 are Mon 13 Jan and Wed 15 Jan.

# ADELAIDE OUTLAWS 34th BIRTHDAY SEPT 2019

## Roaring 20s

I saw somewhere recently only ten more Fridays until Christmas. Where has this year gone ? Are we getting older or time is just moving faster? Interesting question.

Thought is being given to end of year functions and a possible camping/glamping overnight stay somewhere. Nice to have the weather warming up a little to help with this thought process.

It will soon be fire danger season once again and we probably won't be able to have that cozy camp fire. Will see what pans out.

A very happy 36<sup>th</sup> birthday to Pine City Twirlers.

Best of luck to all candidates for the AGM elections this year. It is an interesting time.

Happy dancing, see you on the dance floor somewhere.

Chris and Alan

We had three birthdays to celebrate in the last month, with these dancers having their birthday all on the same day. We all enjoyed yummy birthday cake.

The learners are coming along in leaps and bounds. They learnt wheel and deal and did it with style.

The year is marching along at a fast rate. We are looking forward to the WEDA HELAWI at Port Parham with Wild Frontier and York Promenaders.

Don't forget to join us on our Facebook group Diggers Delights.

Chris Wood.

**JVC Square Dance** JVC Square Dance has had a mixed month – two weeks with mini square and the last two with a full square. Visiting us were Karen and Carl from Adelaide, and Beryl from Melbourne has been with us for a few weeks now.

We are still dancing Basics for the first hour – then smoko – then we look at some Mainstream movements for the next hour.

Jacqui and I enjoyed the night at Adelaide Outlaws 34<sup>th</sup> Birthday Dance – Congratulations to Adelaide Outlaws. We also accompanied two of our learners to Paddlesteamers 11<sup>th</sup> Birthday Dance – they enjoyed watching and meeting a number of other dancers – Congratulations to Paddlesteamers for their continued dancing. Happy Dancing Everyone Jacqueline and John.

THE PADDLE STEAMER SQUARES DANCE CLUB INC

Thanks to everyone who attended our, 'Bring Your Smiles', 11<sup>th</sup> Birthday Dance. Being such a small Club we appreciate the support & variety that other dancers' can provide.

It certainly was a 'smiley day'! It was also a warm, sunny day which put us all in a dancing mood. Thanks Deidre for the decorations despite being handicapped by a fractured arm. Penny, Ros, Chris, Leon & Don also organised various aspects of the day. Our ever reliable callers who volunteer their time to add interest & expertise to special events are highly valued. One observation was the formation of 'the girls' set', at the back of the hall but they didn't go unnoticed. Eight ladies danced in a set with females taking on the male role. It worked to perfection!!!! There were especially made outfits to fit the theme. Ask Ingrid what was on the back panel of her smiley Minion skirt. Ros obviously found some smiley face material & just 'zipped up' a creation.

The Friday dance, prior to the AFL Grand Final, found Les calling to the Richmond theme song. I think this was in anticipation of their win.

You just never know what you find out while dancing at Paddle Steamers. Beryl & Penny, who were presented with cards, shared the same date for their birthdays.

At the Fri Oct 4<sup>th</sup> dance, I took a health audit. 85% of us were completely fine!!! It is totally amusing having callers as dancers. We had Milton giving signs while Ros was calling & Ros pointing to Milton as to what could/should happen next. We all enjoyed the sing a long during supper while Ros rehearsed the lyrics to American Pie & accompanied by Milton on his twelve string guitar. Unbeknown to us they did the eight minute version.

Gail

By the time your readers get to see this publication our 36th anniversary will be finished. There is still some work to be done to finalise arrangements but we think everything is under control..

Our next big effort will be trying to recruit new dancers for 2020. We have a few people that have shown an interest in coming along to start dancing and we will supplement this with some flyers, letter drops and some publicity over the radio and perhaps an article in the local Lifestyle Magazine.

Sixteen or so of our club members are going to attend a Pink Ribbon fundraiser for cancer research where a demonstration of our square dancing will be given. We have been allocated two 15 minute time slots during the night. There is also another opportunity to strut our stuff in January at the local Library Community Market. Hopefully all of this will result in some more new members.

Trevor

## PADDLE STEAMERS 11TH BIRTHDAY

SUNSET TWIRLERS

Our learners class is continuing to grow now with eleven dancers . The numbers are still as equal as they can be with five men and six ladies, a very welcome boost to dancer numbers on Tuesday nights

Mainstream numbers still remain slightly lower than normal. Phyl has returned from her cruise around Japan but rough weather caused some unexpected destinations. Anne and Les travelled to Melbourne to attend the Victorian Round Dance Festival along with Harvey & Diana. Gary & Sally returned briefly after their holiday in Europe and are off again for another couple of weeks. Eddie & Rosalie travelled down to Mt Gambier only to have trouble with the caravan which resulted in the caravan having to be left down there for the axle to be replaced. Anne has not been well and has missed several nights dancing, lets hope for a speedy recovery

Some of us travelled to Victor Harbor to help Paddlesteamer Squares celebrate their 11th Birthday. What a glorious day in paradise. Congratulations and thank you to Paddlesteamers for a great afternoon of dancing.

Our AGM will be held this month and we welcome dancers who would like to stand for committee and help Anne & Les in managing the club. Thank you to Ingrid and Rose for standing as candidates to the SASDS Committee elections .

Happy Dancing from Anne & Les

Hi everyone, we still have a few people away travelling, but Jenny and Gerry have safely returned from their travels, it was good to see them again.

Our joint night with Scoot Back Squares for their Footy Night was a lot of fun as usual.

We recently had a visit from a young German couple Claudia and Mario with their 6 month old baby. They are from Wurtzburg and have 300 members in their club, which is divided into two groups, the under 30's and the over 30's, they have recently graduated to the oldies group. They commented that square dancing is very popular in Europe. Wouldn't it be great if we could attract more younger people to join us in our fun activity.

At our recent A.G.M. we were saddened to be losing three long serving members, our President Jenny, what a fantastic job she has done for some 17 years, Lois, who has been Assistant Treasurer for over twenty years and Gerry, also a long time committee member. We welcomed April as our new President, she has big shoes to fill, but we are sure she will do a good job. We also welcomed new Committee members Anne and Allan Tuckfield and Leslie Nicholls.

We wish John Powers a speedy recovery from his recent operation and hope to see him back dancing before too long. It was great to see Sue Bottroff take to the floor for half a bracket, a good effort after her recent time in hospital.

Our combined dinner with Kannella Squares will again be at the Old Mill, Hahndorf on Tuesday 12th November, dancers from other clubs are welcome to join us. Contact Jeff for details.

Happy dancing everyone, Pat

[www.wildfrontiersa.com](http://www.wildfrontiersa.com)

During the past month we have celebrated two special birthdays with Jeff and Nick our "almost twins." They shared the cutting of the cake and the happy birthday song. We celebrated by spoiling them with a special festive supper for the night.

Our next special event of course is our birthday when we will enjoy a feast of strawberries and cream.

For those who wish to share in the Christmas dinner with Wild Frontier don't forget to buy your tickets soon.

Maryka

As the year progresses I'm sure we are all planning our end of year celebrations. Scootback Squares will be having a dinner in our hall catered by our committee. If you could let us know if you plan on joining us that would be greatly appreciated. It will be on our final night in December.

De Square Lady

Wow! Here we are again coming to the end of another year where we have to think about our Xmas dance and some new Xmas dances. I'm sure Shirley will have a new one or two. Thank you Stephen for waiting for my new modem to arrive. Having just getting over a nasty virus and going to Wallaroo for a few days to recuperate, then coming home to a find dead modem was most inconvenient. You don't realise how much you use the Internet until you haven't got it.

It was nice to have a visit from Doona again who took the photo of me with my 30 year certificate from Roundalab of which I am very proud. Who would have thought back in 1989 when I joined Roundalab that I would still be going in 2019. As they say "When you're on a good thing, stick to it."

It's great to see how well Anne & Roger are coming along, they really are keen dancers, It won't be long before they catch up with the other learners. [2-30 group] The first session on Sunday have had a few new dances and I'm trying again to introduce Slow Two Step. Friday night have been doing a lot of revision while Monica and Terry have been on their annual retreat to Queensland, but now its time for some new dances. With my internet back I can now look for more dances.

Birthday wishes last month that come to mind was for Jim, Chris and Shirley who came back from her long holiday with a beautiful cake.

So till next time. Regards Thelma

WHYALLA TWIRLERS

Well, once again, we're dancing on Monday nights. David and I have had a wonderful holiday and we're so pleased that dancers from Whyalla attended the State Convention and Yorke Promenaders.

I think Kadina is going to see quite a few more Whyalla people over there in the coming months. Those who travelled to dance have had an amazing time and we thank all Square Dancers who made them so welcome.

Happy Dancing everyone, from Shirley and David.
