PRESIDENT'S MESSAGE

Hello Everyone,

Finally we were able to hold the AGM, be it 4 months late. A good turnout with the proposed new Constitution providing some lively discussion. There was one problem that we hope to resolve before the next AGM in October (COVID permitting). Congratulations to the new committee members Graham Burgan-Vice President, Anne Tulloch-Secretary and Bev Burgan-Treasurer. Thank you for your willingness to join the Society Executive.

Thank you also to the committee members who completed their tenure, we appreciate your years of loyal service.

Events to look forward to in April are:

The Round Dance Festival 3rd and 4th April. The organisers are giving Square Dancers 1½ hours of Square Dancing on both days for a lazy \$5 each day. \$5 for 1½ hours of dancing is a bargain so if you want to have a good day or two of dancing Saturday 3rd April at 12noon to 1.30pm and Sunday 4th April from 11am to 12.30pm. I'll see you there on Easter Weekend at the Blackwood Hall.

Digger's Delight's 1st & 2nd birthday on 24th April at the West Croydon and Kilkenny RSL. Later in the year there is the State Convention at Port Broughton in August, so please go to [Trybooking](#) and reserve your tickets.

I recently received the sad news of Beryl Schumann's passing. Beryl started dancing with Wild Frontier in 1973 and was very active on both the Society and the National Board of Square Dancing over the years. She became a life member of Wild Frontier, Kannella Squares, the South Australian Square Dance Society and the National Board, a true devotee to our activity.

This particular young lady will be missed by many of those who knew her in the square dance world. A much loved and respected lady.

Thank you

Murray Dempsey

President

SASDS COMMITTEE NEWS

I'm afraid not much to report as we did not meet due to the AGM being held in lieu of our normal meeting.

Congratulations to members elected to positions at the AGM. The AGM also considered changes to the Constitution as proposed by the subcommittee. The meeting decided some more review was required regarding club representation on the committee which will be referred to the sub-committee.

We would also like to wish John Casey, who is currently recovering from recent heart surgery, a speedy recovery

Happy Dancing

Anne Tulloch

Secretary

FROM THE EDITORS DESK

Round Up this month features a number of upcoming birthday dances and some events well into the future including the 62nd ANSDC to be held in Goulburn, NSW. Registration for this event has just opened, visit www.goulburn2022.com.au for details and registration.

As a member of the upcoming State Convention committee I find the demise of foam cups reported by Adelaide Outlaws in this issue leads me to some reflection on catering at bigger events like birthdays and conventions, are we moving to an expectation that dancers will bring their own cups?

If we do supply compostable cups will we be disciplined enough to ensure that used cups go into 'green bins' and not to landfill?

Well either way I'm ready!!

Cheers

Stephen

2021 STATE CONVENTION UPDATE

Hello Square Dancers

The dates: Friday 27th, Saturday 28th and Sunday 29th August 2021, with the venue the same as planned for last year, Port Broughton on the Yorke Peninsular.

We advise you to book your accommodation early if you can, but please also enquire about refunds should you be unable to attend for any reason. If you booked accommodation for last year and it was rolled forward to this year, please make sure that you confirm your booking with your accommodation provider.

We are again using the Trybooking website for registrations

www.trybooking.com/BGAUV is the link, but if you are not comfortable using the Internet, the paper registration form will be available at your club.

STEAMPUNK is our theme!

Steampunk derives from the Victorian era when steam engines first appeared on the scene. On theme night, add a touch of fantasy in the form of goggles, jewellery incorporating cogs, buttons that don't match, watch chains, over-sized hats etc to your Victorian-era costume and you have Steampunk fashion. It can be as sober or as whacky as you feel comfortable with. Think elegance or think dress-up - the choice is yours!

What do you think about having a Dressed Set parade at the Convention? Maybe you were all fired up and prepared for the cancelled National in the Blue Mountains and are just looking for an opportunity to wear your finery. We would like to hear from clubs that might be interested in participating. Please think about this over the next few months and let me or one of the committee know.

Your 45th State Convention Convenor

April Nicholls

Your committee is:

Treasurer - Stephen Janes

Secretary - Chris Wood

Catering - Yvonne Deakin and Linda Johnson

Accommodation - Karen McCarthy

Publicity - Carl Mullan

Programming - Karen Dempsey and Peter Scott

Rounds - Shirley Bates

CALLERLAB & SQUARE DANCE NEWS AROUND THE WORLD

From Graham Elliott

I wanted to share news from my observations on recent meetings of the international square dance community. This is really just to allow you to see how things are overseas and to share developments in the review of our programs.

I have been a member of Callerlab's Basic/Mainstream committee and International Advisory committee (IAC) for a number of years. The Basic/Mainstream committee is one that reviews our program lists every three years to determine if calls should be added or dropped and also maintain the definitions. The IAC enables reps from various countries to have input to what Callerlab are doing.

The pandemic can have a silver lining! For years these committees have operated via emails - including voting. Over the past 12 months the introduction of Zoom technology has allowed us all to meet "virtually" face to face for the first time. Whilst I generally much prefer real face to face, this is a good tool for overseas contacts who normally wouldn't be able to see each other.

The Basic/Mainstream Committee

The first virtual meeting was held early on a Monday morning in March this year, and 59 members attended from around the globe. That in itself is quite an input to the committee. There were reps from Europe, UK, Canada, Japan, Australia and of course the USA

Right now we are in the middle of a triennial review of the Basic/Mainstream lists. So far there's only a minor tweak to the Basic list and the Mainstream list that is still under discussion. I'll publish results as they are finalised. Overall it seems that there won't be any major changes as people really just want to get back to dancing. There are talks of trying reduced programs (shorter than Mainstream) to get people into dancing quicker & that discussion is ongoing.

IAC

In this forum we share what's happening around the world and our last meeting, late one Thursday night in March, again saw reps from many countries attending. Australia is well underway with square dance Covid recovery yet most other countries still cannot dance. Some because of social distancing requirements, others because hall landlords won't permit them. There are hopes for a return once vaccine rollouts get underway but many are still talking later in the year. People are compensating by holding virtual dances and callers are sharing information via Zoom seminars. We are truly blessed in that we can dance here!

CALLERLAB & SQUARE DANCE NEWS AROUND THE WORLD

continued

Overall I see our influence on decisions to do with programs is still small and Callerlab by its very nature takes time to embrace change.

However, that won't stop us trying and perhaps more "virtual" participation by countries outside of the USA will start to generate more ripples of change.

Beryl Schumann

Beryl's recent passing has prompted us to remember and honour a lovely lady who over the years gave so much to support square dancing in SA.

In the 70's she was there offering her home for after-dance coffees, to the many young square dancing teenagers. She was also the ever-present face offering tea/ coffee at SA Square Dance Association dances for many, many years, as well as supporting monthly Society meetings by attending as membership secretary and as a club representative.

We missed her once travelling out at night became difficult. Everyone knew Beryl – a kind and generous person, who was always willing to help.

ADELAIDE OUTLAWS

Hi everyone. We just recently held our annual Spud Night to mark St Patrick's Day. Thanks to everyone who came along and took part in our spud feast. This year we asked the RSL chefs to prepare the spuds and they did not disappoint - a great meal. Lovely to see many people dressed in greens and we really enjoyed the lively Irish songs and jig style hoedowns. A wonderful happy atmosphere.

Our next theme night will be Easter - yes we will be dancing on the Easter Monday. Again, we'll offer a pre-booked meal

between 6:30 and 7:30pm. And provide Hot Cross Buns for supper, as well as decorating the venue. We'd love to see everyone come along in the brightest colours you can find.

Our current Intermediates group is heading toward completion mid year. Thanks to Covid this has been a long journey but we have stuck with it. We'll be planning for a new intake this year and already have had some enquiries.

Given the recent ban on single use plastics and the impending ban (2022) on polystyrene cups, we have club mugs available for order at the club. These have a club logo and your name and

you can add any extra clip art if you like.

Look out for our Mothers Day Dance coming up in May.

Graham and Dawn

www.adelaideoutlaws.com

We are back to dancing this year. It is nice to be back to some sort of “normal”, whatever that might look like.

There has been some interesting dancing with a selection of older music coming forward. Some of this hasn't been aired for quite a while. We must be getting older though, the recordings of thirty years ago are so fast, we struggle to keep up the pace. I think we forget that we too are thirty years older and not quite so quick as we once were. Has been great dancing none the less.

There was some hesitation when spin chain thru was called. Ahhhh, quick think and away we go. Love the facial expressions, then brain kicks into gear.

With Easter fast approaching it is hard to fathom that we are a quarter of the way through 2021 already. Time waits for no one. And it will soon be Xmas frivolity once again.

Happy and safe dancing.

Chris and Allan

Well just a couple weeks until we celebrate our 1st and 2nd Birthday. The first birthday wasn't celebrated because of COVID. This birthday dance will be held at the West Croydon and Kilkenny RSL on April 24th. Please

come and celebrate with us. To help with catering call Karen Dempsey with your choice of dinner on 0411 619 680, the dinner menu is in this issue of Round Up.

Nigel and Sheila Shaw have come and joined us on Thursday morning, welcome. Tracy and Sheila both celebrated birthdays.

Our learners have come along so well. They are now practicing all the moves, getting ready to graduate.

We are all looking forward to seeing you at our birthday celebration.

Chris

Diggers Delights Club

It's that time of year for us when we hold our AGM on Friday 26th March. I'm sure that we will have so many nominations for positions that our Executive and General Committee will be full!!!!

We have now classified Ros as one of our resident callers. She managed us all with accuracy, interest and speed for the entire dance night. Go girl!!!

A few members seem to be keeping the x-ray and ultra sound companies in business with various issues. Hopefully their prognosis can soon be sorted and treatment finalised.

It has come to our attention that when you are a lady dancing as a man and are required to wear a sash for easy identification, it is advisable to tie a knot in it. Sashes can just fall off your shoulders, slide past your waist and hips and continue on down to your ankles, unbeknown to the person and while attempting an 'allemande left'.

This month's theme night was 'Somewhere Over The Rainbow'. From all accounts it was another night of fun, colour & imaginative interpretations of the title. Heather arrived as Dorothy from the Wizard of Oz and looked just the part.

I was off helping my eldest daughter celebrate her 40th birthday. Great milestone for her but I'm the 'former generation' who has had way too many birthdays!!!!

Hopefully all your clubs are back to full dancing capacity and our State and National events will be operational even if slightly adapted for COVID.

Hi welcome to our club news and we trust everybody is enjoying their dancing. Our special night for February was of course Valentines Night. Lots of dancers dressed in red. Ingrid supplied the decorations and thanks to Rose for assembling them and anyone who helped put them up. Supper consisted of pancakes topped with strawberry jam and cream and were delicious. Thanks to Anne for organising the pancakes.

Welcome back to Peter Stavast. Peter is a founding member of the club and a past President so it is great to see him.

From the 23rd March we will be changing the format of our dance on Tuesday nights to accommodate a plus class (see below for details). Our learners class have now completed all the mainstream movements, so from the 23rd we will be dancing Mainstream from 7pm. We are now planning for their graduation. The other good thing is they will be graduated in time for our birthday dance in May.

Speaking of Birthdays planning is well underway for our 25th/26th birthday (see advertisement for details). We look forward to seeing you there.

Happy Dancing from Anne & Les

Our birthday night was a success, with over sixty dancers attending (according to Murray) Many people were dressed in the theme colours of green and white and I was very lucky to find two partners in outfits that matched mine.

Great calling from Jeff, Ros, Scotty, Graham, Les, Ian and John. We welcomed back Jason from Victoria, who danced with us on New Year's Eve, he brought his father Bob with him this time, we also welcomed Jenny from Whyalla.

We were all thrilled to have a visit from former dancer Joan Smith, who danced with us and sister club Kannella Squares for many years. There were dancers from other local clubs too. Thanks go to Heather Coutts for once again supplying the birthday cake. Doug and Julie for the decorations, thanks also to Julie for helping me in the kitchen. Thanks also to Angela Nicholls for taking over door duties. We are so lucky that we can enjoy dancing every week and have been able to do so for many months.

On a sad note we are sorry to learn that Beryl Schumann, a Wild Frontier Life Member, has passed away. Beryl and her family were dancers for many years at Wild Frontier. She will be missed. Keep well everyone.

Pat

We are still working on so many of the new dances for our up and coming Festival. It's amazing how many other dances are taught at other clubs, but with 128 different ones from all levels, we should get some rest here and there.

So what with Choreographers Showcases, demonstrations, teach sessions and entertainment, as well as 128 dances, and of course food, we should be in for one hell of an Easter.

Not forgetting we hope to see some of you for Square Dancing, at \$5-00 a session for 1 1/2 hours that's great value.

The next big occasion for us will be our 30th Birthday on the 6th of June.

So until next time

Regards Thelma

WHYALLA TWIRLERS

Hooray!!!! Whyalla Twirlers have commenced dancing again, and as from Monday 15th March, we will at the St. James Lutheran Church Hall on the corner of Lewthwaite Street and Ryan Avenue, Whyalla Norrie.

Last Monday night we trialled the Girl Guide Hall, but found the floor was slightly uneven in the centre and there was no way to shade the room from the setting sun. It was a bit concerning when dancers couldn't see across the square.

Welcome to our new Lady and a very big welcome back to our lovely dancers. Little Emily was superb. Thank you, Lorraine, for being our greeter at the door and Lynette for being our Covid Marshall.

We're all looking forward to our State Convention and at this moment we're going to have 5 or 6 in attendance. Our accommodation has been booked and the excitement will mount up as the time draws closer.

It's great to be back!!!

See you on the floor, David and Shirley.

We welcomed four new beginners and a couple of returning dancers to our Friday night learners sessions. Three of them are teenagers, and we are very keen to have some young dancers join the Club.

Our Intermediate group are revising and progressing well towards being full Mainstream dancers.

The numbers at both Monday and Friday dances has been pleasing with some dancers still to return.

The AGM was held recently where we were very pleased to induct Kathy and Roger Menzel as Life Members for their contributions to the Club over many years.

We hope to arrange a social night soon to welcome everyone back to our 38th year of dancing.

Happy twirling.

Linley.

Since last Round-up we had two visitors who had danced some time back and were made welcome.

Still small groups, but it was lovely to see some members who had, or still are, on the sick list and they were given opportunity to join in the squares.

Some mistakes were made and dancers tried their own interpretation, leaving Scotty 'out on a limb'. Poor Scotty indicated he may need Valium! Murray, Karen and Tracey have attended on occasions helping add to the numbers.

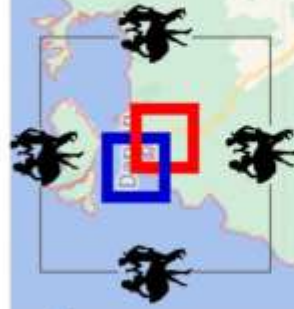

We were lucky to have Christine H. make some scrolls & custard slices. All very yummy.

Excitement is building up for the trip to Darwin and also for 'Steam Punk' where different assortments of gear and clothing are brought in each week.

St. Patrick's Day Dance held on 16th March saw our dancers wearing various green clothing or accessories. Scotty had the big Green Irish hat on. I'm thinking this would make a good collection container for donations etc. Thanks to Yen for attending to supper & making some of goodies.

Bye for now. Stay safe, stay well.
