PRESIDENT'S MESSAGE

Hello Everyone,

Several people have asked me to clarify the definition of the terminology 'fully vaxed'. SA Health defines it, as at the 13th May, as being a recipient of the two initial vaccine doses. This differs significantly from their recommendation that all persons aged between 18 and 64 should have one booster three months after their second dose. With a few of us being 65 or more SA Health are further recommending an additional Winter booster. The boosters are currently being highly promoted on both the television and the internet. Anyone who wishes to clarify further should call SA Health on 1300 232 272, select 3, then select 1.

While on the topic of Covid May has been an interesting month, sad that Adelaide Outlaws Mother's Day dance was cancelled, I was looking forward to that event as they always put on a good show, however the dancer's wellbeing comes first, so a good call.

Mothers should be celebrated often after all they raised us all from childhood to adulthood whilst also training their husbands, that can't be easy.

T&T Rounds 31st birthday coming up for dancers who enjoy round dancing, I certainly do.

Coming up very soon is Scoot Backs 11th birthday on Friday 10th of June, come along and help celebrate this special occasion, I will certainly be there.

Wild Frontiers pyjama night will be a lot of fun, considering what some people call pyjamas, I'm looking forward to that (nervously).

Just a friendly reminder that the early bird deadline is getting close if you want to book your tickets for both the State Convention this year and the Adelaide National next year.

Hoping to see everyone around the traps safe and well for fun on the floor.

Thank you

Murray Dempsey

Next year's National Square Dance Convention will be in ADELAIDE

20th-24th April 2023

At last the National Square Dance Convention drought has ended and to top it off, next year's will held in your home state. There is nothing else quite like the atmosphere of a National. If you've never been to one, don't miss this opportunity! If you can dance mainstream level, you can dance at a National.

Make the most of the Earlybird Special Price of \$110 which offers great value for the five days of the Convention and is available until the end of June. Our [website](#) is counting down the seconds till then. So be sure to book asap. The price will increase to \$135 from 1st July. There are 2 ways to register:

- Online (this is the easy way) using www.trybooking.com/BRLDQ
- A paper registration form is available to download and print from our [website](#) or you will be able to pick one up at your club.

Please note that there are no session tickets available at National Conventions. This a requirement for all National Conventions to make them financially viable.

50's Rock 'n' Roll is our inspiring theme and the committee is planning some amazing decorations to reflect that. On our theme night we encourage you to come dressed in your favourite 50's Rock 'n' Roll style, and be ready to rock the night away! It will be a night you won't want to miss.

Your committee is Graham Elliott - Convenor and Program Manager, Jenny Battersby - Secretary, Anne Anastasiou - Treasurer, Roger Anastasiou - Registrar, Janine Cooke - Accommodation and Hospitality, Dawn Elliott - Creche and Hospitality, Ivan Cooke and Alistair Kennedy - Venue, Karen McCarthy - Publicity and Creche, Carl Mullan - Publicity. You might have spotted us on the front page!

We are excited to have the opportunity to welcome you to Rock On! at the 63rd National Square Dance Convention next April. It will be amazing!

More information is on our website www.adelaide2023.com and our Facebook page www.facebook.com/adelaide2023/

These will be updated as more details become available.

ADELAIDE OUTLAWS

Hi everyone. Having held a successful Easter Dance in April with a wonderful attendance, we were heading toward a Mothers' Day dinner and dance in May. Unfortunately a close contact case in the week preceding this function meant we postponed the dinner and cancelled that dance. Fortunately no-one contracted Covid, and thanks to our dancers for their support and co-operation.

So now, what was originally planned as a Pancake Night in June will now be a Dinner and Dance. See the advert below.

Any bookings already made for the Mothers' Day dinner will be kept on for the June Dinner. We welcome additional bookings if anyone would like to join us for the dinner.

While suppers continue to be provided by the Club, we have had the pleasure of a few birthday cakes being brought along to supplement our suppers. These were very much appreciated. No blowing out of candles any more of course, but great to return to the celebratory singing.

Looking ahead - we have a French Night coming up on July 11th so see if you can rustle up some blue, white & red colours and maybe a beret and scarf?

Well the year is certainly flying past quick, afraid to blink in case I miss something. Easter has been and gone and no more Easter buns on the shelves, good news for my waist, as well as the Easter Eggs.

At the Club the week before Mother's Day all of the ladies from both Digger's Delight's and Digger's Two were spoilt with a gift from Karen, a coffee mug with chocolates inside which my grandson found and devoured before I even got a taste lol., and celebrated with the family later.

We had a lovely surprise visit by two square dancers from West Australia, Frank and Margaret Clayton, here for a couple of weeks. Being Jasmine's and Glenys' brother and sister-in-law, the girls said they were easy to entertain visiting the various clubs, they hope to be here for the Sate Convention in August.

It's sad how Covid keeps rearing its head, with some function's being postponed for Mother's Day, but at least Sunset Twirlers 27th Birthday Dance in May went ahead. Wishing them a Happy Birthday.

Also it was great to see Sandra back dancing after a long break, she is now well on the road to recovery.

We wish Stephen Janes all the best in his next endeavours, and I for one know how much his input with the Round Up has been, and I just do one small contribution!!!

The State Convention at Wallaroo, in August, is getting closer and is starting to be booked up with a lot of dancers coming from interstate as well as plenty of callers, can't wait to get away with a weekend of dancing...

In the meantime, stay safe and keep on dancing.

Linda W

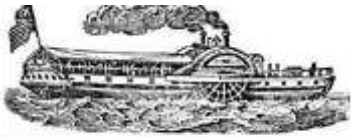

Happy 80th birthday to Stuart this month. Stuart and Bernie were the only 2two dancers from Acey Squares who attended the National Convention in Goulburn. A good time was had by all with everyone travelling home safely.

The dreaded Covid continues to plague the South East. Our group have been reasonably lucky with only Robert a couple of months ago and now Alan catching up with it. We have discussed many times the what ifs' and when this happens. I can tell you now that we are there that reality and what ifs' are quite different. An experience I can only imagine that many have had to work through.

As the nights have become colder, we have made good use of the reverse cycle air conditioner installed in the hall last year. Very welcome addition.

Happy dancing. Stay safe.

THE PADDLE STEAMER SQUARES DANCE CLUB INC.

It never ceases to amaze me how once you bite off the ears of your chocolate Easter Bunny that the rest just disappears. There's no point really putting the remains back in the fridge. However, there are many people who stockpile their goodies & consume them throughout the year. From me to you, I don't know how they do that!! Regardless of the giving, the long weekend & being with family and/or friends, it is a religious celebration so matter what beliefs we have there is a history/story to be remembered.

With the dance night after Easter we nearly had to stay the night in the hall as the front door handle fell off & we couldn't reattach it to exit the building. I was hoping that I could get rescued by some strong, brave SES personnel but Chris suggested the exit door with a phone torch to see where you were going was a solution.

I'm sure we've all had pets as part of our family & when they are no longer with us it is most upsetting & you're lost without them. Deidre & Maisie (the tabby cat) had been a duo for 18 years so it was sad news when we heard about her pet passing away.

Our recent theme night was titled 'Crazy Tie'. It was interesting as to the age demographic that we needed to acquire ties from for our display. We had many colourful & inventive ties worn. Norma even beaded hers with the letters P (Paddle) S (Steamer's) D (Dance) G (Group).

A Mother's Day Raffle was held & the delighted recipient has been given the challenge to see how long it takes for the 1.1kg bag of assorted goodies to be emptied!!!

Gail

Hi everyone. Well May has been and gone. In that time we held our annual May Dinner with Wild Frontier, it's great to see some learners from Friday night come along, also seeing some old faces that we haven't seen for a while. Thank you too all those people who helped out in the kitchen and organising it.

Some other great news, a big congratulations to Lyn and Brett on the arrival of their first grandson. While on the topic of babies a big congratulations to Tila having a bay boy on 10th May, welcome Kallen and well done both of you.

April

We recently held two fun social dances. A Spud Night and one for Mother's Day where the husbands cooked the supper. They produced scones, a sponge cake, cream horns and slices which were enjoyed by all. Now that the husbands have shown their talents we hope they do so more often.

At the recent AGM we welcomed two new Committee members - Bill and Heather K and look forward to some different ideas for running the Club.

April was a huge month for birthdays. Happy birthday to Jack, Maureen Ch. Doug, Dave P, June, Robert and Kahlia.

Happy twirling.

Linley.

Well another year has passed and our Clubs 31st birthday will be held on Sunday 5th June, with our usual Monte Carlo, Lucky Squares, and Lucky Spots, and dancing all levels from 1pm till 4pm. Please bring a plate of food to finish off the day.

Congratulations to those who have danced with me for their ten year award, Karen and Murray, Angie and to Jim who has rarely missed a day. How things have changed over that period of time. I started with a second hand record player and tape deck, then in came mini discs, which I still use, and now computers which have given me quite a few headaches.

Many thanks to Shirley and Terry Lee who has now moved over here from Sydney and have kept me sane.

Congratulations to Sunset Twirlers for their 27th Birthday of Round and Square Dancing.

So until next time

Regards Thelma

It will almost be the longest night of the year, so pyjamas are just the thing!

Been a busy few weeks. We combined our Charity Night with our Autumn themed dance. Thanks to Doug and Julie for the decorations, and to those dancers who wore Autumn colours. The hot soup supper was enjoyed by everyone. Thank goodness for all the electrical points in the hall for our crockpots in with the kitchen being used by people celebrating Ramadan.

Thanks to Anne for her seafood chowder, Carolyn for the curried cauliflower soup and I made pumpkin/sweet potato/carrot. Most people tried all three with no leftovers. Thanks also to Linda for the dessert. All the raffles were donated with the money going to Variety the Children's Charity. Carmine De Leso kindly supplied posters and magazines showing who benefits from Variety.

Our next event was the Mother's Day Dance. All ladies got free entry, a free raffle ticket and a chocolate, Marion was the lucky winner of the raffle.

Last, but certainly not least, was our combined dinner with Kannella Squares. Our thanks to Linda and her friend Vicky for a most enjoyable meal, also to Julie and Carolyn for their kitchen assistance.

Unfortunately some people who had booked were unable to attend because of the dreaded Covid, so several people enjoyed second helpings. A meal worthy of 5 stars.

Keep well everyone. Pat
