# PRESIDENT'S MESSAGE

Sorry for the mix up the Presidents report that made into the final edition of December Round was the first one I prepared in 2024, probably my fault by sending the wrong file. Anyway due to the Christmas break with not much happening, it is a good chance to include what should have been in my report last year.

Firstly, I hope you all had a joyous festive season and are now back enjoying your dancing again. Congratulations to both Paddlesteamer Squares (17) and Pine City Twirlers (42) for celebrating their birthdays late in 2025. It is very pleasing to see our country clubs continuing to succeed. It hardly seems like a year has gone by since I was first elected President, and thank you electing me again as there is still a lot of work to be done especially around publicity and marketing. The AGM was held in October and we are pleased to elect a full committee once again.

We also welcome Iain Neilson as a new committee member. Late last year the Australian National Square Dance Society hosted a nationwide zoom meeting regarding a proposed nationwide plan to market and publicise Square Dancing.

A sub-committee was formed including me as SA's representative.

This committee also includes several people with marketing and media experience. The committee has now met twice and we have adopted a logo and a slogan. I do not yet have the artwork for the logo but I can let you know the slogan is "Let's Dance Australia - Square Dancing fitness & friendship".

Next task is the committee will be preparing a detailed marketing plan, so look out for more information in coming months and please be prepared to happily participate in photo shoots or videos as we gather material that we hope will put square dancing on the map and encourage members of the public to participate in learners' classes. I consider that we have achieved quite a lot in the past 12 month including:

- Re-establishing the calendar compilation process ensuring no clashes of events that could compromise attendance at important events such as club birthdays and society dances. This also maximises your opportunity to attend events. The new calendar is in the process of being released this month.
- The committee have redrafted and adopted a new yearly planner.

This document helps the committee conduct business and plan events in a timely manner they can be publicised in the Round Up with plenty of notice.

- The early implementation of the added event each year. This was achieved in advance with the Roaring 20's dance held in August this year.

This adds benefit to your membership by giving another opportunity for members to receive discounted admission and have fun with more dancing as well.

- We will also be implementing wherever possible alternating day/ night events. We listened to your comments and understand that there are mixed preferences between day and night events. Having said that we were not able to achieve this for the Christmas dance 2025 & March Dance 2026 due to venue availability and the need balancing the need to alternate between events north and south of the city.

We also saw two well established clubs celebrate milestone birthdays in the past year:

- Adelaide Outlaws 40th; and
- Sunset Twirlers 30th.

We have seen clubs successfully commencing learner's classes in the past year including Adelaide Outlaws, Spin the Toppers & Sunset Twirlers. We have also had a new club commence in Whyalla called 'Steel City Squares' being run by Graham Burgan. This is where our future lies in bringing new people into square dancing, especially with the Nationwide promotion and marketing plan about to be released. We are looking forward to increasing public awareness, improving public perception of square dancing and increased numbers of learners joining our great activity.

Regards. Les Tulloch

## THE NEW PLUS LIST

Following on from the article in Oct 2025 regarding the new Mainstream list, Callerlab have now finalised the new Plus list to be implemented from Sept 1 2026.

The Plus program has more movements in it now and these are made of up

- The original Plus program
- Movements removed from Mainstream - now in Plus
- 8 movements from the A1 program

The Advanced movements are reasonably straightforward so won't take too much to learn.

What we will have is a Mainstream program and a Plus program each having 50 movements - ie the same size.

Included in this Round Up issue, is the new Plus list with the source of the added movements shown in colour.

Remember, it is scheduled to start using this from Sept 1 this year. Your caller may choose to introduce these movements leading up to that date.

We hope everyone had a good Christmas and New Year. Our first dance of 2026 will be 23rd Jan and we hope to see everyone hale and hearty ready to start the new year of dancing.

Our Halloween night was well attended by ghouls and witches. It was nice to see Brian and Diane McShane back in SA from their sojourn in QLD and to see that Diane is recovering well from her health scare. Thank you Deidre for the scary decorations.

Our Christmas break up on Friday 12th December, was also a graduation night.

4 dancers graduated but only 3 were able to attend due to Wendy having long COVID. Graduated dancers were Mel Reid, John Toshach, and Rosemary Heberd. We thank Les for representing the society and sharing the calling with Ros and John. Thanks again to Deidre for her appropriate decorations. It was nice to have Heather Scott share the evening with us and hope to see more of her and Robert since their relocation to Victor Harbor. “

Photos are attached.

**ADELAIDE OUTLAWS** Happy New Year everyone and we hope you all had a nice Xmas, New Year break. We hope to see you all again, well and fit for the dance floor and the friendship too.

Our 2025 year finished up with some wonderful Christmas events. The Mainstream Christmas Dinner and Dance was well supported. The night began with a cooked dinner at the RSL and if that wasn't enough, we enjoyed an amazing basket supper supplemented with mince pies and other goodies supplied by Dawn.

Thanks to Elijah, Josiah, Les & Ian for joining us on the program. The Wed Plus club also finished with a Xmas dance & basket supper. Thanks to all who came along.

Our clubs are back up and running again for 2026, our 41st year. The annual Aussie night is almost upon us and we encouraged dressing to the theme - green & yellows or Aussie outfits. Dancing to Australian music & again, more eating!! Pavlovas are always a welcome treat.

February sees our Valentines' dance and of course red & white is the theme there. A special supper will be provided, and a basket supper is always welcome. The music will be all about love.

Keep an eye out for the next theme after that - St Patrick's on March 16th.

All our events are listed on the club calendar available at the door or on our website.

Also thank you to Ian, Scotty, Les & Ros for filling in, in Ivans absences. Wishing you ALL a Happy & Healthy New Year. We have Valentines dance on the 13th of February. ## Sunset Twirlers Squares News

Hi everyone and welcome once again to our club news.

Happy New Year to all our dancers we hope you enjoyed the break with family & friends. At the time of writing we have had only 2 full weeks of dancing.

Our Tuesday Learners class is continuing to make progress as planned, currently up to about week 7 give or take a few moves. We are planning to only take this class to the New Mainstream 2026 level

Our plus learners class are also doing very well, about  $\frac{3}{4}$  of the way through with mainly the big moves left to go. Plan is to get the class up to the old plus level, then we will concentrate on the 8 new movements from advanced so everybody is ready for the new level by September.

We held our Christmas break up on Tuesday 9<sup>th</sup> December. We kicked off at 6pm with dinner at the Christie Beach Hotel. Thank you to Alison Graedt who once again did a tremendous job of decorating the dinner tables.

Then it was back to hall at 8pm for dancing alternating Mainstream & Learners brackets. It was great to see everybody mixing and joining in at all levels. Please see the pictures below which are also on our facebook page.
